

## Issues

| #     | Project                     | Tracker | Status   | Priority    | Subject   | Assignee          | Category                               | Target version | Has patch |
|-------|-----------------------------|---------|----------|-------------|---|-------------------|--|----------------|-----------|
| 29371 | Extbase Static Info Tables  | Bug     | Resolved | Must have   | Wrong Typoscript mapping  | Marco Huber       |  |                |           |
| 34792 | Front End User Registration | Bug     | Resolved | Must have   | Edit profile sets password to dummyPassword if useMd5Password is used   | Stanislas Rolland |  |                | No        |
| 8621  | ICE Pack                    | Bug     | New      | Should have | PHP-Warning in ICE-Elements   |                   |  |                |           |
| 39249 | ke_questionnaire (RE-BAKE)  | Bug     | Resolved | Must have   | HTML-Export in ke_questionnaire_premium is broken in TYPO3 4.7  | Stefan Froemken   |  |                |           |
| 39254 | ke_questionnaire (RE-BAKE)  | Bug     | Closed   | Must have   | Language handling in PDF Export broken  |                   |  |                |           |
| 39225 | ke_questionnaire (RE-BAKE)  | Bug     | Resolved | Must have   | send_finish_mail_subject not included in TYPO3 4.7  | Stefan Froemken   |  |                |           |
| 39250 | ke_questionnaire (RE-BAKE)  | Bug     | Closed   | Must have   | TemplateFolder defined in Typoscript is ignored   |                   |  |                |           |
| 75020 | TYPO3 Core                  | Bug     | Closed   | Should have | "Save and view" button shows root page for pages of type "Shortcut" or "Link to External URL"                   |                   |  |                |           |
| 60886 | TYPO3 Core                  | Bug     | Closed   | Should have | Backend via https throws "SEC7111: HTTPS security is compromised by res://iframe.dll/dnserrordiagoff.htm" in IE |                   |  |                |           |
| 60805 | TYPO3 Core                  | Bug     | Closed   | Should have | Cachingframework FileBackend not usable for cache_pages and cache_pagesection                                   |                   |  |                |           |
| 68367 | TYPO3 Core                  | Bug     | Rejected | Should have | checkSubmit should wait 500ms   | Marco Huber       | FormEngine aka TCEforms                |                |           |
| 73009 | TYPO3 Core                  | Bug     | Closed   | Should have | cshmanual module is not configurable by group   |                   |  |                |           |
| 35944 | TYPO3 Core                  | Bug     | Closed   | Should have | css_styled_content CE "Menu/Sitemap": Hide the field "Selected Pages" for menu type "Sitemap"                   |                   |  |                |           |
| 72803 | TYPO3 Core                  | Bug     | Closed   | Should have | denied file extensions are shown as allowed file extensions   |                   |  |                |           |
| 73013 | TYPO3 Core                  | Bug     | Closed   | Should have | Don't render the "more" link in the help popup if the user has no access to cshmanual module                    |                   |  |                |           |
| 90761 | TYPO3 Core                  | Bug     | Closed   | Should have | Fluid select viewhelper not added to __trustedProperties if multiple="true" but it has no options               |                   |  |                |           |
| 83741 | TYPO3 Core                  | Bug     | Closed   | Should have | HTTP Basic Authentication credentials in Google Chrome 64 not transfered to AJAX calls in d3.js                 |                   | Backend JavaScript                     | 8.7.10         |           |
| 79037 | TYPO3 Core                  | Bug     | Closed   | Must have   | In the BE the select icons' titles are not shown  |                   |  |                |           |
| 82521 | TYPO3 Core                  | Bug     | Closed   | Should have | Links to a mounted page in a page tree with a different domain are not prepended with the domain                |                   | Link Handling, Site Handling & Routing |                |           |
| 22625 | TYPO3 Core                  | Bug     | Closed   | Should have | Little bug in Workspace Manager when the option "Show differences inline" is selected.                          | Steffen Kamper    |  |                |           |

| #     | Project    | Tracker | Status   | Priority    | Subject   | Assignee         | Category                      | Target version | Has patch |
|-------|------------|---------|----------|-------------|---|------------------|-------------------------------|----------------|-----------|
| 71625 | TYPO3 Core | Bug     | Closed   | Should have | Nav Title in Element Browser  |                  |                               |                |           |
| 79566 | TYPO3 Core | Bug     | Closed   | Must have   | No login possible if cookie name is longer than 32 chars  |                  |                               |                |           |
| 73896 | TYPO3 Core | Bug     | Closed   | Should have | Old constraints in ext_emconf.php after extension update with active opcode cache   |                  |                               |                |           |
| 78918 | TYPO3 Core | Bug     | Closed   | Should have | Pasting long text into the RTE leads to browser crashes   |                  | RTE (rtehtmlarea + ckeeditor) |                |           |
| 76029 | TYPO3 Core | Bug     | Rejected | Should have | Regex in ExtensionManagementUtility::executePositionedStringInsertion is broken if you want to insert after a palette           |                  |                               |                |           |
| 24877 | TYPO3 Core | Bug     | Closed   | Should have | rsaaauth with more than one login form on one page doesn't work   |                  |                               |                |           |
| 72751 | TYPO3 Core | Bug     | Closed   | Must have   | RTE: no TSconfig loaded on positioned insert  |                  | RTE (rtehtmlarea + ckeeditor) |                |           |
| 20706 | TYPO3 Core | Bug     | Closed   | Should have | Russian chars in the comments are encoded wrong when changing the stage of an element   | Steffen Kamper   | Workspaces                    |                |           |
| 65363 | TYPO3 Core | Bug     | Closed   | Should have | Set _languageUid to -1 only if the developer hasn't set it himself  |                  | Extbase                       |                |           |
| 73014 | TYPO3 Core | Bug     | Closed   | Should have | Shortcut button gone after uninstalling EXT:cshmanual   |                  |                               |                |           |
| 72171 | TYPO3 Core | Bug     | Closed   | Must have   | Since the authMode_enforce strict is set editors can't edit content elements if the list_type is 0 (which is the default value) |                  |                               |                |           |
| 77577 | TYPO3 Core | Bug     | Closed   | Should have | Source collection images don't get resized if file = GIFBUILDER   |                  |                               |                |           |
| 72948 | TYPO3 Core | Bug     | Closed   | Should have | Special characters in Flashmessages are converted to HTML entities twice  |                  |                               |                |           |
| 25888 | TYPO3 Core | Bug     | Closed   | Must have   | TCA Tree readOnly not working   |                  |                               |                |           |
| 25347 | TYPO3 Core | Bug     | Closed   | Should have | TCA type "select", renderMode "tree", maxitems = 1 doesn't work   |                  |                               | 4.5.3          |           |
| 81740 | TYPO3 Core | Bug     | Closed   | Should have | temp directory name shouldn't be hardcoded in ClearCacheService   |                  | Install Tool                  |                |           |
| 79711 | TYPO3 Core | Bug     | Closed   | Must have   | The CE File Links (fluid_styled_content) tries to create thumbs for non-image files   | Jonathan IROULIN | Fluid Styled Content          |                |           |
| 76974 | TYPO3 Core | Bug     | New      | Should have | Translation handling with starttime/stoptime  |                  | FormEngine aka TCEforms       |                |           |
| 79012 | TYPO3 Core | Bug     | Closed   | Must have   | TYPO3 default language content shown  |                  | Localization                  |                |           |
| 53622 | TYPO3 Core | Bug     | Closed   | Should have | Updating the file content fails with the FAL API  |                  | File Abstraction Layer (FAL)  |                |           |
| 73675 | TYPO3 Core | Bug     | Closed   | Should have | URLs with spaces in the RTE   |                  |                               |                |           |
| 77098 | TYPO3 Core | Bug     | Closed   | Should have | versionNumberInFilename = '1' not working with the demo .htaccess and Apache 2.2  |                  |                               |                |           |
| 75254 | TYPO3 Core | Bug     | Closed   | Must have   | Wrong page TSconfig in link wizard after positioned insert  |                  |                               |                |           |
| 65364 | TYPO3 Core | Bug     | Closed   | Should have | _languageUid gets overwritten on updating a new domain object.  |                  | Extbase                       |                |           |

| #     | Project                        | Tracker    | Status       | Priority    | Subject  | Assignee           | Category      | Target version | Has patch |
|-------|--------------------------------|------------|--------------|-------------|--|--------------------|---------------|----------------|-----------|
| 32425 | TYPO3.Flow                     | Bug        | Accepted     | Must have   | IpAddressRange methods not completely implemented  | Karsten Dambekalns | Security      |                | Yes       |
| 31160 | TYPO3.Flow                     | Bug        | Resolved     | Should have | Scripts/migrate-annotations.php should work with symlinks                                      | Karsten Dambekalns |               | 1.0.1          | No        |
| 60270 | TYPO3.Surf                     | Bug        | Under Review | Should have | Task/Git/TagTask doesn't work with transfer method rsync                                       |                    |               |                |           |
| 39298 | ke_questionnaire (RE-BAKE)     | Feature    | Closed       | Should have | Hook for additional markers in questions   | Stefan Froemken    |               |                |           |
| 56236 | TYPO3 Core                     | Feature    | Closed       | Should have | Allow multiple headers of the same type in config.additionalHeaders                            |                    |               |                |           |
| 35945 | TYPO3 Core                     | Feature    | Closed       | Could have  | css_styled_content CE "Menu/Sitemap": new menu type "Sitemaps of selected pages"               |                    |               |                |           |
| 34597 | TYPO3 Core                     | Feature    | Closed       | Should have | Disable forgot password forms  |                    | felogin       |                |           |
| 25382 | TYPO3 Core                     | Feature    | Closed       | Should have | TCA Tree should respect \$TCA['myTable']['ctrl']['requestUpdate'] and \$TCA['myTable']['type'] |                    | Backend API   |                |           |
| 60469 | TYPO3.Surf                     | Feature    | Resolved     | Should have | Initialize releasidentifier earlier  |                    |               |                |           |
| 6819  | Project References             | Task       | Accepted     | Should have | Design   |                    | Design        |                |           |
| 6816  | Project References             | Task       | Accepted     | Must have   | Documentation  |                    | Documentation |                |           |
| 6818  | Project References             | Task       | Accepted     | Must have   | UnitTests  |                    | Tests         |                |           |
| 28438 | Fluid - ViewHelper - Incubator | Suggestion | New          | Should have | Viewhelper to add Javascript to <head>   |                    |               |                |           |
| 28437 | Fluid - ViewHelper - Incubator | Suggestion | New          | Should have | Viewhelper to escape quotes and remove newlines for Javascript                                 |                    |               |                |           |
