

## Issues

| #     | Project                     | Tracker    | Status   | Priority    | Subject  | Assignee          | Category               | Target version          | Has patch |
|-------|-----------------------------|------------|----------|-------------|--|-------------------|------------------------|-------------------------|-----------|
| 63924 | cooluri                     | Bug        | New      | Must have   | Language in links to default language ignored (L=0)                | Mathias Brodala   | cooluri                |                         |           |
| 56563 | Faceted Search              | Bug        | Resolved | Should have | Mandatory \$fe_group argument out of order                         |                   |                        |                         |           |
| 50121 | Google Maps API Extbase     | Suggestion | Resolved | Should have | Use PageRenderer to add JavaScript files                           |                   |                        |                         |           |
| 50120 | Google Maps API Extbase     | Suggestion | Closed   | Should have | Keep settings function out of the global namespace                 |                   |                        |                         |           |
| 49865 | Google Maps API Extbase     | Suggestion | Closed   | Should have | Add plugin to the wizard for new content elements                  |                   |                        |                         |           |
| 57636 | Multi-channel contexts      | Bug        | Rejected | Must have   | Missing dependency on static_info_tables extension                 |                   | Geolocation            |                         |           |
| 56245 | Multi-channel contexts      | Bug        | Rejected | Should have | Contexts initialized to early                                      |                   | Contexts base          |                         |           |
| 56653 | Multi-channel contexts      | Bug        | Closed   | Must have   | Cannot register contexts before extension is processed             | Mathias Brodala   | Contexts base          |                         |           |
| 56298 | Multi-channel contexts      | Feature    | Rejected | Should have | Cache parameters API   | Mathias Brodala   | Contexts base          |                         |           |
| 56269 | Multi-channel contexts      | Feature    | Closed   | Could have  | Backport TSFE getHash hook to TYPO3 CMS 4.5                        | Mathias Brodala   | Contexts base          |                         |           |
| 56533 | Ratings                     | Bug        | New      | Must have   | Backend language class in frontend prevents use of other languages |                   |                        |                         | No        |
| 82734 | Resize images automatically | Bug        | New      | Must have   | Does not work with PHP < 7.x                                       |                   |                        |                         |           |
| 68844 | tinyMCE                     | Task       | Resolved | Must have   | Check/declare compatibility with TYPO3 7.x                         |                   |                        |                         |           |
| 68843 | TinyMCE v4 as TYPO3 RTE     | Task       | Resolved | Must have   | Check/declare compatibility with TYPO3 7.x                         |                   |                        |                         |           |
| 68410 | Translation Team            | Bug        | Resolved | Must have   | Unhandled Exception after changing user language                   | Xavier Perseguers |                        | Translation Server v2.0 |           |
| 80564 | Translation Team            | Bug        | Accepted | Must have   | Broken Russian translation file for EXT:indexed_search             |                   |                        |                         |           |
| 56063 | TYPO3 Core                  | Task       | Closed   | Should have | Format new content element wizard links as inline-block            |                   | Backend User Interface | 6.2.0                   |           |
| 55153 | TYPO3 Core                  | Bug        | Closed   | Should have | Duplicated translation entry for clear cache menu pages            |                   | Localization           | 6.2.0                   |           |
| 53455 | TYPO3 Core                  | Task       | Closed   | Could have  | Update backend page title  |                   | Backend User Interface | 6.2.0                   |           |
| 53188 | TYPO3 Core                  | Bug        | Closed   | Must have   | REDIRECT_TYPO3_DISABLE_CORE_UPDATER ignored                        |                   |                        | 6.2.0                   |           |

| #     | Project    | Tracker | Status   | Priority    | Subject  | Assignee        | Category                     | Target version | Has patch |
|-------|------------|---------|----------|-------------|--|-----------------|------------------------------|----------------|-----------|
| 52880 | TYPO3 Core | Bug     | Closed   | Must have   | Class "extDirect_DataProvider_BackenduserSettings" not found |                 | Backend API                  | 6.2.0          |           |
| 56418 | TYPO3 Core | Bug     | Closed   | Should have | Missing margin/padding on content element fields             | Felix Kopp      | Backend User Interface       | 6.2.0          |           |
| 56062 | TYPO3 Core | Bug     | Closed   | Must have   | List bullets in wizard for new content elements              | Felix Kopp      | Backend User Interface       | 6.2.0          |           |
| 56177 | TYPO3 Core | Task    | Closed   | Must have   | Windows issues with long CSV file name from commit 2db3d30   | Oliver Hader    | Tests                        | 6.2.0          |           |
| 60822 | TYPO3 Core | Feature | Closed   | Should have | Get class tag values via reflection                          |                 | Extbase                      | 7.0            |           |
| 55757 | TYPO3 Core | Feature | Closed   | Could have  | Add PageTSconfig analyzer                                    |                 | Miscellaneous                | 7.0            |           |
| 62960 | TYPO3 Core | Feature | Closed   | Should have | Add hook for mailer initialization                           | Mathias Brodala | Miscellaneous                | 7.0            |           |
| 65058 | TYPO3 Core | Bug     | Closed   | Must have   | Fix new content element wizard links click area              | Mathias Brodala | Backend User Interface       | 7.1 (Cleanup)  |           |
| 66347 | TYPO3 Core | Bug     | Closed   | Must have   | Alternative text used as link title in File Links            | Mathias Brodala | Frontend                     | 6.2.12         |           |
| 66429 | TYPO3 Core | Bug     | Closed   | Must have   | Remove IdentityMap   | Mathias Brodala | Extbase                      | 7.2 (Frontend) |           |
| 66411 | TYPO3 Core | Bug     | Closed   | Must have   | New locking API exceptions too generic                       | Mathias Brodala | Miscellaneous                | 7.2 (Frontend) |           |
| 66350 | TYPO3 Core | Bug     | Closed   | Must have   | 6.2 static template outdated                                 | Mathias Brodala | Content Rendering            | 7.2 (Frontend) |           |
| 66344 | TYPO3 Core | Bug     | Closed   | Should have | Some exceptions contain HTML code                            | Mathias Brodala | Code Cleanup                 | 7.2 (Frontend) |           |
| 66327 | TYPO3 Core | Task    | Closed   | Must have   | Rename FAL driver count methods                              | Mathias Brodala | File Abstraction Layer (FAL) | 7.2 (Frontend) |           |
| 66323 | TYPO3 Core | Task    | Closed   | Must have   | Test more edge cases for trimExplode                         | Mathias Brodala | Miscellaneous                | 7.2 (Frontend) |           |
| 65569 | TYPO3 Core | Task    | Closed   | Should have | Remove deprecated "strict" option from PHPUnit configuration | Mathias Brodala | Miscellaneous                | 7.2 (Frontend) |           |
| 65488 | TYPO3 Core | Bug     | Closed   | Must have   | TimeTracker not set for eID scripts                          | Mathias Brodala | Miscellaneous                | 7.2 (Frontend) |           |
| 64057 | TYPO3 Core | Bug     | Closed   | Must have   | Checkbox viewhelper checked attribute not set for objects    | Mathias Brodala | Fluid                        | 7.2 (Frontend) |           |
| 63561 | TYPO3 Core | Feature | Closed   | Should have | Add stdWrap strtotime  | Mathias Brodala | Frontend                     | 7.2 (Frontend) |           |
| 66885 | TYPO3 Core | Bug     | Closed   | Must have   | Composer vendor directory not shipped with 6.2               | Mathias Brodala | Miscellaneous                | 6.2.13         |           |
| 68640 | TYPO3 Core | Bug     | Closed   | Must have   | Fix new content element wizard links click area              |                 | Backend User Interface       | 7.4 (Backend)  |           |
| 59899 | TYPO3 Core | Feature | Rejected | Should have | Clear system caches selectively                              |                 | Backend User Interface       | 7.4 (Backend)  |           |

| #     | Project    | Tracker | Status   | Priority    | Subject  | Assignee        | Category                | Target version | Has patch |
|-------|------------|---------|----------|-------------|--|-----------------|-------------------------|----------------|-----------|
| 67799 | TYPO3 Core | Task    | Closed   | Should have | Install "parallel" via Travis CI addon                 | Mathias Brodala | Miscellaneous           | 7.4 (Backend)  |           |
| 67363 | TYPO3 Core | Task    | Closed   | Should have | Support Composer classloader from vendor directory     | Mathias Brodala | Miscellaneous           | 7.4 (Backend)  |           |
| 67248 | TYPO3 Core | Task    | Closed   | Should have | Clean up<br>DataMapper::convertClassNameToTableName    | Mathias Brodala | Code Cleanup            | 7.4 (Backend)  |           |
