

## Issues

| #     | Project                 | Tracker    | Status   | Priority    | Subject  | Assignee        | Category       | Target version  | Has patch |
|-------|-------------------------|------------|----------|-------------|--|-----------------|----------------|-----------------|-----------|
| 89731 | TYPO3 Core              | Epic       | New      | Should have | Configuration streamlining   |                 | Form Framework |                 |           |
| 89759 | TYPO3 Core              | Epic       | New      | Should have | Performance improvements in Forms module                                 |                 | Form Framework |                 |           |
| 49865 | Google Maps API Extbase | Suggestion | Closed   | Should have | Add plugin to the wizard for new content elements                        |                 |                |                 |           |
| 50120 | Google Maps API Extbase | Suggestion | Closed   | Should have | Keep settings function out of the global namespace                       |                 |                |                 |           |
| 50121 | Google Maps API Extbase | Suggestion | Resolved | Should have | Use PageRenderer to add JavaScript files                                 |                 |                |                 |           |
| 53231 | WebKit PDF              | Task       | New      | Must have   | PDF output to browser can break  |                 |                |                 |           |
| 68843 | TinyMCE v4 as TYPO3 RTE | Task       | Resolved | Must have   | Check/declare compatibility with TYPO3 7.x                               |                 |                |                 |           |
| 68844 | tinyMCE                 | Task       | Resolved | Must have   | Check/declare compatibility with TYPO3 7.x                               |                 |                |                 |           |
| 69722 | TYPO3 Core              | Task       | Closed   | Must have   | Drop "sprite" from icon variable names in ImportExport                   | Mathias Brodala |                | 7.5             |           |
| 71521 | TYPO3 Core              | Task       | Closed   | Should have | Clean up ObjectManager injection in CommandController                    | Mathias Brodala |                |                 |           |
| 73151 | TYPO3 Core              | Task       | Closed   | Should have | Update Symfony Finder to 3.x   | Mathias Brodala |                | 8 LTS           |           |
| 73152 | TYPO3 Core              | Task       | Closed   | Should have | Update Symfony Console to 3.x  | Mathias Brodala |                | 8 LTS           |           |
| 76766 | TYPO3 Core              | Task       | Rejected | Should have | Enable Recycler by default   | Mathias Brodala |                | 8.3             |           |
| 77153 | TYPO3 Core              | Task       | Closed   | Should have | Mention fileinfo PHP extension   | Mathias Brodala |                | next-patchlevel |           |
| 82131 | TYPO3 Core              | Task       | Closed   | Should have | GeneralUtility::makeInstance() should throw exception on unknown class   | Mathias Brodala |                | 9.0             |           |
| 84306 | TYPO3 Core              | Task       | Closed   | Should have | Use ServerRequestInterface in ContentElement/NewContentElementController | Mathias Brodala |                |                 |           |
| 84307 | TYPO3 Core              | Task       | Closed   | Should have | Use ServerRequestInterface in ContentElement/NewContentElementController | Mathias Brodala |                |                 |           |
| 84326 | TYPO3 Core              | Task       | Closed   | Should have | Use ServerRequestInterface in File/FileUploadController                  | Mathias Brodala |                |                 |           |
| 84332 | TYPO3 Core              | Task       | Closed   | Should have | Use ServerRequestInterface in File/RenameFileController                  | Mathias Brodala |                |                 |           |
| 84334 | TYPO3 Core              | Task       | Closed   | Should have | Use ServerRequestInterface in File/ReplaceFileController                 | Mathias Brodala |                |                 |           |
| 84341 | TYPO3 Core              | Task       | Closed   | Should have | Use ServerRequestInterface in NewRecordController                        | Mathias Brodala |                |                 |           |

| #     | Project    | Tracker | Status   | Priority    | Subject  | Assignee        | Category | Target version  | Has patch |
|-------|------------|---------|----------|-------------|--|-----------------|----------|-----------------|-----------|
| 84369 | TYPO3 Core | Task    | Closed   | Should have | Use ServerRequestInterface in UserSettingsController                         | Łukasz Uznański |          | 9 LTS           |           |
| 84376 | TYPO3 Core | Task    | Closed   | Should have | Drop \$GLOBALS['SOBE'] in NewRecordController                                | Mathias Brodala |          |                 |           |
| 84388 | TYPO3 Core | Task    | Closed   | Should have | Drop remaining _GP and getIndpEnv in ContentElement/ElementHistoryController | Mathias Brodala |          |                 |           |
| 84392 | TYPO3 Core | Task    | Closed   | Should have | Drop remaining HttpUtility redirects in Wizard/AddController                 | Mathias Brodala |          |                 |           |
| 84400 | TYPO3 Core | Task    | Closed   | Should have | Drop remaining getIndpEnv() in FileSystemNavigationFrameController           | Mathias Brodala |          |                 |           |
| 84407 | TYPO3 Core | Task    | Closed   | Should have | Extract request processing from RsaEncryptionEncoder                         | Mathias Brodala |          |                 |           |
| 84409 | TYPO3 Core | Task    | Closed   | Should have | Rename ImageManipulationWizard to controller                                 | Mathias Brodala |          |                 |           |
| 84410 | TYPO3 Core | Task    | Closed   | Should have | Rename CodeCompletion to controller  | Mathias Brodala |          |                 |           |
| 84411 | TYPO3 Core | Task    | Closed   | Should have | Rename TypoScriptReferenceLoader to controller                               | Mathias Brodala |          |                 |           |
| 84412 | TYPO3 Core | Task    | Closed   | Should have | Extract request processing from OpendocsToolBarItem                          | Mathias Brodala |          |                 |           |
| 84414 | TYPO3 Core | Task    | Closed   | Should have | Extract request processing from ShortcutToolBarItem                          | Mathias Brodala |          |                 |           |
| 84416 | TYPO3 Core | Task    | Closed   | Should have | Extract request processing from SystemInformationToolBarItem                 | Mathias Brodala |          |                 |           |
| 84462 | TYPO3 Core | Task    | Rejected | Should have | RSA encryption hook should be moved from EXT:rsaaauth to EXT:felogin         | Mathias Brodala |          |                 |           |
| 84466 | TYPO3 Core | Task    | Closed   | Should have | Add separate HTTPS security check to reports module                          | Mathias Brodala |          |                 |           |
| 85031 | TYPO3 Core | Task    | Closed   | Should have | Use ServerRequestInterface in ImportExportController                         |                 |          |                 |           |
| 85034 | TYPO3 Core | Task    | Closed   | Should have | Log message when typolink fails  | Mathias Brodala |          | next-patchlevel |           |
| 85344 | TYPO3 Core | Task    | Closed   | Should have | Use trait for public method access deprecation                               | Mathias Brodala |          |                 |           |
| 85358 | TYPO3 Core | Task    | Rejected | Should have | Privately declare deprecated public methods/properties                       | Mathias Brodala |          |                 |           |
| 85620 | TYPO3 Core | Task    | Closed   | Should have | Add hint about missing pages to Site Configuration module                    | Mathias Brodala |          |                 |           |
| 89481 | TYPO3 Core | Task    | Closed   | Must have   | Add security reporting procedure to README                                   | Mathias Brodala |          |                 |           |

| #     | Project    | Tracker | Status   | Priority    | Subject  | Assignee        | Category               | Target version              | Has patch |
|-------|------------|---------|----------|-------------|--|-----------------|------------------------|-----------------------------|-----------|
| 89746 | TYPO3 Core | Task    | Closed   | Should have | Make icon for record browser configurable                          | Mathias Brodala |                        |                             |           |
| 89747 | TYPO3 Core | Task    | Closed   | Should have | Allow custom tables in record browser                              | Mathias Brodala |                        |                             |           |
| 89866 | TYPO3 Core | Task    | Closed   | Should have | Use new Typo3Copyright API everywhere                              |                 |                        |                             |           |
| 68765 | TYPO3 Core | Task    | Closed   | Should have | Use DOM API for RSA encryption form field access                   | Mathias Brodala | Authentication         | next-patchlevel             |           |
| 69760 | TYPO3 Core | Task    | Closed   | Should have | Add cache to IconFactory   |                 | Backend API            |                             |           |
| 69827 | TYPO3 Core | Task    | Closed   | Should have | Use JsConfirmation enumeration for BackendUserAuthentication check | Mathias Brodala | Backend API            |                             |           |
| 53455 | TYPO3 Core | Task    | Closed   | Could have  | Update backend page title  |                 | Backend User Interface | 6.2.0                       |           |
| 56063 | TYPO3 Core | Task    | Closed   | Should have | Format new content element wizard links as inline-block            |                 | Backend User Interface | 6.2.0                       |           |
| 69774 | TYPO3 Core | Task    | Closed   | Should have | Improve session timeout dialog                                     | Mathias Brodala | Backend User Interface | 7 LTS                       |           |
| 69828 | TYPO3 Core | Task    | Closed   | Should have | Use modal dialog for refresh after field change                    | Mathias Brodala | Backend User Interface | 7.5                         |           |
| 73034 | TYPO3 Core | Task    | Closed   | Should have | Don't hardcode logo path in about module                           | Mathias Brodala | Backend User Interface | 8 LTS                       |           |
| 84361 | TYPO3 Core | Task    | Closed   | Should have | Use modal-based new content element wizard everywhere              |                 | Backend User Interface | Candidate for patchlevel    |           |
| 86916 | TYPO3 Core | Task    | Closed   | Should have | Use button group for Create/Filter buttons above page tree         |                 | Backend User Interface |                             |           |
| 66437 | TYPO3 Core | Task    | Closed   | Should have | Simplify PHP lint Travis execution                                 | Mathias Brodala | Code Cleanup           | next-patchlevel             |           |
| 67226 | TYPO3 Core | Task    | Closed   | Should have | Reduce duplicated paths for bowercopy                              | Mathias Brodala | Code Cleanup           | 7.4 (Backend)               |           |
| 67248 | TYPO3 Core | Task    | Closed   | Should have | Clean up DataMapper::convertClassNameToTableName                   | Mathias Brodala | Code Cleanup           | 7.4 (Backend)               |           |
| 69748 | TYPO3 Core | Task    | Rejected | Should have | Use IconRegistry API to register icons                             |                 | Code Cleanup           | Candidate for Major Version |           |
| 69832 | TYPO3 Core | Task    | Closed   | Should have | Use binary notation for JsConfirmation enumeration                 | Mathias Brodala | Code Cleanup           | 7.5                         |           |
| 77243 | TYPO3 Core | Task    | Closed   | Should have | Deprecate GeneralUtility::getUserObj()                             | Mathias Brodala | Code Cleanup           |                             |           |
| 78083 | TYPO3 Core | Task    | Closed   | Should have | Polish Enumeration exception messages                              | Mathias Brodala | Code Cleanup           | next-patchlevel             |           |
| 78341 | TYPO3 Core | Task    | Closed   | Should have | Shorten checkFilePermissions.sh ignore list                        | Mathias Brodala | Code Cleanup           |                             |           |

| #     | Project    | Tracker | Status   | Priority    | Subject  | Assignee        | Category                | Target version              | Has patch |
|-------|------------|---------|----------|-------------|--|-----------------|-------------------------|-----------------------------|-----------|
| 78886 | TYPO3 Core | Task    | Closed   | Should have | Simplify registerPageTSConfigFile description                      | Mathias Brodala | Code Cleanup            |                             |           |
| 78887 | TYPO3 Core | Task    | Closed   | Should have | Simplify addStaticFile description                                 | Mathias Brodala | Code Cleanup            |                             |           |
| 84766 | TYPO3 Core | Task    | Closed   | Should have | Suggest to use ExtensionUtility::registerPlugin() in TCA overrides | Mathias Brodala | Code Cleanup            | next-patchlevel             |           |
| 85025 | TYPO3 Core | Task    | Closed   | Must have   | Enumerations must be final   | Mathias Brodala | Code Cleanup            | next-patchlevel             |           |
| 88172 | TYPO3 Core | Task    | Rejected | Should have | Add scalar/return type hints in CommandMap                         | Mathias Brodala | Code Cleanup            | Candidate for patchlevel    |           |
| 73026 | TYPO3 Core | Task    | Closed   | Should have | Move backend index.php to backend extension                        | Mathias Brodala | composer                | 8 LTS                       |           |
| 73027 | TYPO3 Core | Task    | Closed   | Should have | Move frontend index.php to frontend extension                      | Mathias Brodala | composer                | 8 LTS                       |           |
| 73029 | TYPO3 Core | Task    | Closed   | Should have | Move cli_dispatch.phpsh to backend extension                       | Mathias Brodala | composer                | 8 LTS                       |           |
| 73069 | TYPO3 Core | Task    | Rejected | Should have | Rename extension:dumpclassloadinginformation command               | Mathias Brodala | composer                | Candidate for Major Version |           |
| 73480 | TYPO3 Core | Task    | Closed   | Must have   | Disallow PHP 7.x for TYPO3 6.2                                     | Mathias Brodala | composer                | next-patchlevel             |           |
