

## Issues

| #     | Project    | Tracker | Status   | Priority    | Subject   | Assignee          | Category                     | Target version | Has patch |
|-------|------------|---------|----------|-------------|---|-------------------|------------------------------|----------------|-----------|
| 68911 | TYPO3 Core | Bug     | Closed   | Must have   | Checkbox "Display thumbnails" does not work in filebrowser                                      |                   | Backend API                  | 7.5            |           |
| 68880 | TYPO3 Core | Bug     | Closed   | Should have | Save, save & view, save & close not working in RTE Wizard                                       |                   |                              | 7.5            |           |
| 68860 | TYPO3 Core | Bug     | Closed   | Should have | SelectImage Eventlistener throws exception  |                   |                              | 7.5            |           |
| 68881 | TYPO3 Core | Task    | Closed   | Should have | Add backend routes for wizards (part 2)   |                   |                              | 7.5            |           |
| 69038 | TYPO3 Core | Task    | Closed   | Should have | Move record-related endpoints to backend routing  | Manuel Selbach    | Backend API                  | 7.5            |           |
| 75463 | TYPO3 Core | Task    | Closed   | Should have | "old fashioned" icons in category tree  | Manuel Selbach    |                              | 8.0            |           |
| 76513 | TYPO3 Core | Bug     | Rejected | Should have | diff-view not working for categories if default changes   |                   |                              | 8.4            |           |
| 85912 | TYPO3 Core | Bug     | Closed   | Should have | Button "Paste after this record" or "Paste into this column" is broken                          | Andreas Fernandez |                              | 9.4            |           |
| 83585 | TYPO3 Core | Bug     | Closed   | Must have   | "New" page tree broken in Safari Version 11.0.2   |                   | Pagetree                     | 9 LTS          |           |
| 87041 | TYPO3 Core | Bug     | Closed   | Should have | CType in TCA[ctrl][label] leads to strange behavior   |                   |                              |                |           |
| 86966 | TYPO3 Core | Bug     | Closed   | Should have | pages_language_overlay do not get the appendix from prependAtCopy on copy of a page             |                   |                              |                |           |
| 81818 | TYPO3 Core | Bug     | Closed   | Should have | Option additionalViewModelModules does not append   |                   | Form Framework               |                |           |
| 69702 | TYPO3 Core | Bug     | Rejected | Should have | FAL does not work in section of FlexForms   |                   |                              |                |           |
| 68857 | TYPO3 Core | Bug     | Closed   | Should have | Openid login not working on current master  |                   | Miscellaneous                |                |           |
| 90911 | TYPO3 Core | Bug     | Closed   | Should have | Used package algo26-matthias/idna-convert does not support PHP 7.4                              | Manuel Selbach    |                              |                |           |
| 90223 | TYPO3 Core | Bug     | Closed   | Should have | Wrong type hint in install tool<br>typo3/sysext/install/Classes/SystemEnvironment/DatabaseCheck | Manuel Selbach    |                              |                |           |
| 88081 | TYPO3 Core | Bug     | Closed   | Should have | Timestamp in replace dialog of file list is broken  | Manuel Selbach    |                              |                |           |
| 87938 | TYPO3 Core | Bug     | Closed   | Should have | Avoid superfluous cast and creation of instances<br>DocumentTypeExclusionRestriction            | Manuel Selbach    | Database API (Doctrine DBAL) |                |           |
| 87768 | TYPO3 Core | Bug     | Closed   | Should have | Missing language in DocHeader in document edit mode   | Manuel Selbach    |                              |                |           |
| 87658 | TYPO3 Core | Bug     | Rejected | Should have | Admin panel simulate date / time broken under some circumstances                                | Manuel Selbach    | AdminPanel                   |                |           |
| 85911 | TYPO3 Core | Bug     | Closed   | Should have | Not working "Paste after this record" button  | Manuel Selbach    |                              |                |           |
| 84588 | TYPO3 Core | Bug     | Closed   | Should have | Int values for field will be converted to unix timestamp in module "DB check" -> Full search    | Manuel Selbach    |                              |                |           |

| #     | Project    | Tracker | Status | Priority    | Subject  | Assignee       | Category                       | Target version | Has patch |
|-------|------------|---------|--------|-------------|--|----------------|--------------------------------|----------------|-----------|
| 84071 | TYPO3 Core | Bug     | Closed | Should have | Exception Call to a member function getTreeList() on null                    | Manuel Selbach |                                |                |           |
| 79447 | TYPO3 Core | Bug     | Closed | Should have | Unify usage of fe_group in tables of TYPO3 core                              | Manuel Selbach |                                |                |           |
| 79131 | TYPO3 Core | Bug     | Closed | Should have | Wrong type in PageRepository::getDomainStartPage for column fe_group         | Manuel Selbach |                                |                |           |
| 78925 | TYPO3 Core | Bug     | Closed | Should have | PageLayoutController::renderQuickEdit() will throw exception for empty pages | Manuel Selbach |                                |                |           |
| 77811 | TYPO3 Core | Bug     | Closed | Must have   | Doctrine: wrong array key access in SchemaColumnDefinitionListener::class    | Manuel Selbach | Database API (Doctrine DBAL)   |                |           |
| 88805 | TYPO3 Core | Feature | Closed | Should have | Add type to TYPO3\CMS\Core\Database\Query\QueryBuilder::set                  | Manuel Selbach | Database API (Doctrine DBAL)   |                |           |
| 87776 | TYPO3 Core | Feature | Closed | Should have | Limit Restriction to table/s in QueryBuilder                                 | Manuel Selbach | Database API (Doctrine DBAL)   |                |           |
| 85369 | TYPO3 Core | Feature | New    | Should have | Proper YAML configuration API  | Manuel Selbach | System/Bootstrap/Configuration |                |           |
| 91667 | TYPO3 Core | Task    | New    | Should have | Optimization of workspace information dialog                                 |                | Workspaces                     |                |           |
| 68858 | TYPO3 Core | Task    | Closed | Should have | Add backend routes for wizards   |                |                                |                |           |
| 89794 | TYPO3 Core | Task    | Closed | Should have | Refactoring the database check in install tool                               | Manuel Selbach | Install Tool                   |                |           |
| 89657 | TYPO3 Core | Task    | Closed | Should have | Update doctrine/dbal requirement to minimum ^2.10                            | Manuel Selbach |                                |                |           |
| 89593 | TYPO3 Core | Task    | Closed | Should have | Update doctrine/dbal to 2.10.0   | Manuel Selbach |                                |                |           |
| 89592 | TYPO3 Core | Task    | Closed | Should have | Update doctrine/dbal   | Manuel Selbach |                                |                |           |
| 89424 | TYPO3 Core | Task    | Closed | Should have | Update Microsoft docker images in tests                                      | Manuel Selbach | Database API (Doctrine DBAL)   |                |           |
| 88579 | TYPO3 Core | Task    | Closed | Should have | Update doctrine/dbal to ^2.9   | Manuel Selbach |                                |                |           |
| 88553 | TYPO3 Core | Task    | Closed | Should have | Update doctrine/dbal to ^2.8.1   | Manuel Selbach | Database API (Doctrine DBAL)   |                |           |
| 80317 | TYPO3 Core | Task    | Closed | Should have | Deprecate BackendUtility::getRecordRaw                                       | Manuel Selbach |                                |                |           |
| 79509 | TYPO3 Core | Task    | Closed | Should have | Add group feature to functional tests  | Manuel Selbach |                                |                |           |
| 79382 | TYPO3 Core | Task    | Closed | Should have | Cleanup ActionService::getVersionedId  | Manuel Selbach |                                |                |           |

| #     | Project    | Tracker | Status   | Priority    | Subject   | Assignee         | Category                     | Target version  | Has patch |
|-------|------------|---------|----------|-------------|---|------------------|------------------------------|-----------------|-----------|
| 79378 | TYPO3 Core | Task    | Closed   | Should have | Unused code in LocalizationController::process found  | Manuel Selbach   |                              |                 |           |
| 78930 | TYPO3 Core | Task    | Closed   | Should have | Integrate driver into functional tests  | Manuel Selbach   |                              |                 |           |
| 78704 | TYPO3 Core | Task    | Closed   | Should have | BackendUtility: Refactor use of queryBuilder to use prepared statements   | Manuel Selbach   |                              |                 |           |
| 78578 | TYPO3 Core | Task    | Closed   | Should have | LiveSearch: Refactor use of queryBuilder to use prepared statements   | Manuel Selbach   |                              |                 |           |
| 68814 | TYPO3 Core | Task    | Closed   | Should have | remove of base constant TYPO3_URL_ORG   | Manuel Selbach   |                              |                 |           |
| 68756 | TYPO3 Core | Task    | Closed   | Should have | Add config "base" to stdWrap  | Manuel Selbach   |                              |                 |           |
| 68157 | TYPO3 Core | Task    | Accepted | Should have | Extended TypeConverter PersistentObjectConverter to overload QuerySettings  | Manuel Selbach   | Extbase                      |                 |           |
| 77817 | TYPO3 Core | Task    | Closed   | Must have   | Doctrine: wrong escaping of table fields in schemaMigrator  | Morton Jonuschat | Database API (Doctrine DBAL) |                 |           |
| 77812 | TYPO3 Core | Task    | Closed   | Must have   | Doctrine: ensure unique index keys for postgresSQL  | Morton Jonuschat | Database API (Doctrine DBAL) |                 |           |
| 83339 | TYPO3 Core | Bug     | Rejected | Should have | Method TYPO3\CMS\Core\Preparations\TcaPreparation::prepareQuotingOfTableNamesAndColumnNames breaks TYPO3 low level commands | Manuel Selbach   |                              | next-patchlevel |           |
| 81374 | TYPO3 Core | Bug     | Rejected | Should have | Default charset utf8 for database driver will fail on Microsoft SQL Server  | Manuel Selbach   |                              | next-patchlevel |           |
