

## Issues

| #     | Project                      | Tracker | Status | Priority    | Subject   | Assignee | Category          | Target version | Has patch |
|-------|------------------------------|---------|--------|-------------|---|----------|-------------------|----------------|-----------|
| 40473 | Base Distribution            | Epic    | New    | Should have | Bootstrap based login screen  |          |                   |                |           |
| 40334 | Base Distribution            | Epic    | New    | Should have | EPIC: Module Overview Pages   |          |                   |                |           |
| 40332 | Base Distribution            | Epic    | New    | Should have | EPIC: Management view content editing   |          |                   |                |           |
| 40320 | Base Distribution            | Epic    | New    | Should have | EPIC: User Interface style and implementation guide                                       |          |                   |                |           |
| 40308 | Base Distribution            | Epic    | New    | Should have | EPIC: In-table editing for items in the Management View                                   |          |                   |                |           |
| 40307 | Base Distribution            | Epic    | New    | Should have | EPIC: Custom View for Data Types  |          |                   |                |           |
| 40306 | Base Distribution            | Epic    | New    | Should have | EPIC: Content import from TYPO3   |          |                   |                |           |
| 40302 | Base Distribution            | Epic    | New    | Should have | EPIC: Account Profile   |          |                   |                |           |
| 40301 | Base Distribution            | Epic    | New    | Should have | EPIC: System Log Viewer / Audit   |          |                   |                |           |
| 40300 | Base Distribution            | Epic    | New    | Should have | EPIC: Consistent UI Design (Bootstrap)  |          |                   |                |           |
| 40299 | Base Distribution            | Epic    | New    | Must have   | EPIC: Content Security (Workspaces)   |          |                   |                |           |
| 40298 | Base Distribution            | Epic    | New    | Should have | EPIC: Design / Icons  |          |                   |                |           |
| 40297 | Base Distribution            | Epic    | New    | Must have   | EPIC: Basic Page Tree Operations  |          |                   |                |           |
| 40294 | Base Distribution            | Epic    | New    | Should have | EPIC: Inline Editing Support (Links, Content Types, Plugin)                               |          |                   |                |           |
| 42408 | TYPO3 Flow Base Distribution | Story   | New    | Could have  | Locale Detection / Selection  |          |                   | 2.1            |           |
| 42407 | TYPO3 Flow Base Distribution | Story   | New    | Should have | Asset Management  |          |                   | 2.1            |           |
| 41152 | Base Distribution            | Story   | New    | Could have  | As a content editor, I want to use a page tree which fits into the overall UI             |          |                   |                |           |
| 40469 | Base Distribution            | Story   | New    | Could have  | (low prio) As a user I want to get redirected to setup tool if install is incomplete      |          | Setup             |                |           |
| 40336 | Base Distribution            | Story   | New    | Could have  | As a Site Integrator I want to see a list of rendering issues                             |          | Content Rendering | 1.0 beta 1     |           |
| 40335 | Base Distribution            | Story   | New    | Should have | As an Administrator, I want to run FLOW3 CLI commands in the Launch Bar                   |          |                   |                |           |
| 40331 | Base Distribution            | Story   | New    | Should have | As a Content Manager, I want to create multiple pages at once                             |          |                   |                |           |
| 40328 | Base Distribution            | Story   | New    | Should have | As an administrator I can export selected parts of an existing site to a new site package |          |                   |                |           |
| 40326 | Base Distribution            | Story   | New    | Should have | As an administrator I can create a new site package using an existing site as template    |          |                   |                |           |
| 40324 | Base Distribution            | Story   | New    | Should have | As a site integrator I can change the title, description & version of an imported site    |          |                   |                |           |
| 40323 | Base Distribution            | Story   | New    | Should have | As an site integrator I can remove an inactive imported site                              |          |                   |                |           |

| #     | Project               | Tracker       | Status | Priority    | Subject  | Assignee         | Category    | Target version      | Has patch |
|-------|-----------------------|---------------|--------|-------------|--|------------------|-------------|---------------------|-----------|
| 40322 | Base Distribution     | Story         | New    | Should have | As a site integrator I can disable and enable imported sites   |                  |             |                     |           |
| 40311 | Base Distribution     | Story         | New    | Should have | As a user I want the UI to respect the lights-off principle  |                  |             |                     |           |
| 40309 | Base Distribution     | Story         | New    | Should have | As a system administrator I want to see a meaningful error message if the database has not been set up correctly |                  |             |                     |           |
| 26774 | Conference Management | Story         | New    | Should have | As a sponsor I can edit the content of my sponsor page   |                  |             | Backend Editing     |           |
| 26773 | Conference Management | Story         | New    | Must have   | As a conference organizer I can edit content of the website  |                  |             | Backend Editing     |           |
| 41877 | Base Distribution     | Task          | New    | Should have | Explore: Find a way to include Neos / Flow news via RSS  |                  |             |                     |           |
| 41876 | Base Distribution     | Task          | New    | Should have | Make Neos UI work with Zurb Foundation (for example)   |                  |             |                     |           |
| 41140 | Base Distribution     | Task          | New    | Could have  | Let client redirect to login page if inactivity timeout was reached.   |                  |             |                     |           |
| 40896 | Base Distribution     | Task          | New    | Should have | Fix layout in "create account" setup step  |                  | Setup       | Sprint 10 (1.0 TP1) |           |
| 25775 | Conference Management | Task          | New    | Could have  | Create design and markup for 404 page  |                  |             | Early Bird Tickets  |           |
| 3755  | TYPO3.Flow            | Task          | New    | Must have   | Concurrency stress testing and cache mechanism   |                  | - Testing - |                     |           |
| 3585  | TYPO3.Flow            | Major Feature | New    | Should have | Implement support for value objects  |                  |             |                     | No        |
| 39790 | TYPO3.Kickstart       | Feature       | New    | Should have | Allow forward slashes where backslashes need to be specified   |                  |             |                     |           |
| 29476 | TYPO3.Flow            | Feature       | New    | Should have | Provider rendering time and query count for request  |                  |             |                     |           |
| 5774  | TYPO3.Flow            | Feature       | New    | Should have | Package Manager should clear all cache entries tagged with %PACKAGE%   |                  | Package     |                     |           |
| 3587  | TYPO3.Flow            | Feature       | New    | Could have  | Enforce validation rules for value objects already in constructor  |                  | Validation  |                     |           |
| 3580  | TYPO3.Flow            | Feature       | New    | Must have   | Create an administration panel for the FLOW3 Development context   |                  | MVC         |                     |           |
| 3153  | TYPO3.Flow            | Feature       | New    | Should have | Support of action based filter rules defined by annotation.  |                  | MVC         |                     |           |
| 1785  | TYPO3.Flow            | Feature       | New    | Must have   | Automatic garbage collection for expired cache entries   |                  | Cache       |                     |           |
| 39791 | TYPO3.Flow            | Bug           | New    | Must have   | Reflection data of old aspect is not removed   |                  | Reflection  | 1.1.1               | No        |
| 36804 | TYPO3.Flow            | Bug           | New    | Should have | Orphaned entities within aggregates are not removed  |                  | Persistence |                     | No        |
| 5442  | TYPO3.Flow            | Feature       | New    | Should have | Destroy session / logout user on deleting an account   | Andreas Förthner | Security    |                     |           |
| 59    | Testing               | Feature       | New    | Should have | Implement MVC pattern for TestRunner   | Robert Lemke     |             | 1.0.0               |           |
| 2974  | TYPO3.Flow            | Bug           | New    | Must have   | Aspect / Proxy Cache is not emptied automatically if an interface used for introduction was modified             | Robert Lemke     | AOP         |                     |           |

| #     | Project           | Tracker         | Status   | Priority        | Subject   | Assignee                | Category                       | Target version         | Has patch |
|-------|-------------------|-----------------|----------|-----------------|---|-------------------------|--------------------------------|------------------------|-----------|
| 1245  | DEV3              | Bug             | New      | Must have       | TypoScript Editor / Mac: Unsupported Class Version Error  | Sebastian Böttger       | TYPO3 4.x<br>TypoScript Editor |                        |           |
| 947   | F3PR              | Story           | Accepted | -- undefined -- | Block new releases  |                         |                                |                        |           |
| 946   | F3PR              | Story           | Accepted | -- undefined -- | Remove package release from listing   |                         |                                |                        |           |
| 945   | F3PR              | Story           | Accepted | -- undefined -- | Register package key  |                         | Package<br>Repository          |                        |           |
