

## Issues

| #     | Project               | Tracker       | Status | Priority    | Subject  | Assignee | Category          | Target version      | Has patch |
|-------|-----------------------|---------------|--------|-------------|--|----------|-------------------|---------------------|-----------|
| 25775 | Conference Management | Task          | New    | Could have  | Create design and markup for 404 page                                |          |                   | Early Bird Tickets  |           |
| 26773 | Conference Management | Story         | New    | Must have   | As a conference organizer I can edit content of the website          |          |                   | Backend Editing     |           |
| 26774 | Conference Management | Story         | New    | Should have | As a sponsor I can edit the content of my sponsor page               |          |                   | Backend Editing     |           |
| 40896 | Base Distribution     | Task          | New    | Should have | Fix layout in "create account" setup step                            |          | Setup             | Sprint 10 (1.0 TP1) |           |
| 39791 | TYPO3.Flow            | Bug           | New    | Must have   | Reflection data of old aspect is not removed                         |          | Reflection        | 1.1.1               | No        |
| 40336 | Base Distribution     | Story         | New    | Could have  | As a Site Integrator I want to see a list of rendering issues        |          | Content Rendering | 1.0 beta 1          |           |
| 1785  | TYPO3.Flow            | Feature       | New    | Must have   | Automatic garbage collection for expired cache entries               |          | Cache             |                     |           |
| 3153  | TYPO3.Flow            | Feature       | New    | Should have | Support of action based filter rules defined by annotation.          |          | MVC               |                     |           |
| 3580  | TYPO3.Flow            | Feature       | New    | Must have   | Create an administration panel for the FLOW3 Development context     |          | MVC               |                     |           |
| 3585  | TYPO3.Flow            | Major Feature | New    | Should have | Implement support for value objects                                  |          |                   |                     | No        |
| 3587  | TYPO3.Flow            | Feature       | New    | Could have  | Enforce validation rules for value objects already in constructor    |          | Validation        |                     |           |
| 3755  | TYPO3.Flow            | Task          | New    | Must have   | Concurrency stress testing and cache mechanism                       |          | - Testing -       |                     |           |
| 5774  | TYPO3.Flow            | Feature       | New    | Should have | Package Manager should clear all cache entries tagged with %PACKAGE% |          | Package           |                     |           |
| 29476 | TYPO3.Flow            | Feature       | New    | Should have | Provider rendering time and query count for request                  |          |                   |                     |           |
| 36804 | TYPO3.Flow            | Bug           | New    | Should have | Orphaned entities within aggregates are not removed                  |          | Persistence       |                     | No        |
| 39790 | TYPO3.Kickstart       | Feature       | New    | Should have | Allow forward slashes where backslashes need to be specified         |          |                   |                     |           |
| 40294 | Base Distribution     | Epic          | New    | Should have | EPIC: Inline Editing Support (Links, Content Types, Plugin)          |          |                   |                     |           |
| 40297 | Base Distribution     | Epic          | New    | Must have   | EPIC: Basic Page Tree Operations                                     |          |                   |                     |           |
| 40298 | Base Distribution     | Epic          | New    | Should have | EPIC: Design / Icons   |          |                   |                     |           |
| 40299 | Base Distribution     | Epic          | New    | Must have   | EPIC: Content Security (Workspaces)                                  |          |                   |                     |           |
| 40300 | Base Distribution     | Epic          | New    | Should have | EPIC: Consistent UI Design (Bootstrap)                               |          |                   |                     |           |
| 40301 | Base Distribution     | Epic          | New    | Should have | EPIC: System Log Viewer / Audit                                      |          |                   |                     |           |
| 40302 | Base Distribution     | Epic          | New    | Should have | EPIC: Account Profile  |          |                   |                     |           |
| 40306 | Base Distribution     | Epic          | New    | Should have | EPIC: Content import from TYPO3                                      |          |                   |                     |           |
| 40307 | Base Distribution     | Epic          | New    | Should have | EPIC: Custom View for Data Types                                     |          |                   |                     |           |

| #     | Project                      | Tracker | Status | Priority    | Subject  | Assignee         | Category       | Target version | Has patch |
|-------|------------------------------|---------|--------|-------------|--|------------------|----------------|----------------|-----------|
| 40308 | Base Distribution            | Epic    | New    | Should have | EPIC: In-table editing for items in the Management View  |                  |                |                |           |
| 40309 | Base Distribution            | Story   | New    | Should have | As a system administrator I want to see a meaningful error message if the database has not been set up correctly |                  |                |                |           |
| 40311 | Base Distribution            | Story   | New    | Should have | As a user I want the UI to respect the lights-off principle  |                  |                |                |           |
| 40320 | Base Distribution            | Epic    | New    | Should have | EPIC: User Interface style and implementation guide  |                  |                |                |           |
| 40322 | Base Distribution            | Story   | New    | Should have | As a site integrator I can disable and enable imported sites   |                  |                |                |           |
| 40323 | Base Distribution            | Story   | New    | Should have | As an site integrator I can remove an inactive imported site   |                  |                |                |           |
| 40324 | Base Distribution            | Story   | New    | Should have | As a site integrator I can change the title, description & version of an imported site                           |                  |                |                |           |
| 40326 | Base Distribution            | Story   | New    | Should have | As an administrator I can create a new site package using an existing site as template                           |                  |                |                |           |
| 40328 | Base Distribution            | Story   | New    | Should have | As an administrator I can export selected parts of an existing site to a new site package                        |                  |                |                |           |
| 40331 | Base Distribution            | Story   | New    | Should have | As a Content Manager, I want to create multiple pages at once  |                  |                |                |           |
| 40332 | Base Distribution            | Epic    | New    | Should have | EPIC: Management view content editing  |                  |                |                |           |
| 40334 | Base Distribution            | Epic    | New    | Should have | EPIC: Module Overview Pages  |                  |                |                |           |
| 40335 | Base Distribution            | Story   | New    | Should have | As an Administrator, I want to run FLOW3 CLI commands in the Launch Bar  |                  |                |                |           |
| 40469 | Base Distribution            | Story   | New    | Could have  | (low prio) As a user I want to get redirected to setup tool if install is incomplete                             |                  | Setup          |                |           |
| 40473 | Base Distribution            | Epic    | New    | Should have | Bootstrap based login screen   |                  |                |                |           |
| 41030 | TYPO3.TypoScript             | Task    | New    | Should have | TypoScript namespaces should have file scope, not global scope   |                  |                |                |           |
| 41140 | Base Distribution            | Task    | New    | Could have  | Let client redirect to login page if inactivity timeout was reached.   |                  |                |                |           |
| 41152 | Base Distribution            | Story   | New    | Could have  | As a content editor, I want to use a page tree which fits into the overall UI                                    |                  |                |                |           |
| 41876 | Base Distribution            | Task    | New    | Should have | Make Neos UI work with Zurb Foundation (for example)   |                  |                |                |           |
| 41877 | Base Distribution            | Task    | New    | Should have | Explore: Find a way to include Neos / Flow news via RSS  |                  |                |                |           |
| 48434 | Coordination Group           | Topic   | New    | Should have | Topic workflow for Coordination Group  |                  | Organisational |                |           |
| 42407 | TYPO3 Flow Base Distribution | Story   | New    | Should have | Asset Management   |                  |                | 2.1            |           |
| 42408 | TYPO3 Flow Base Distribution | Story   | New    | Could have  | Locale Detection / Selection   |                  |                | 2.1            |           |
| 5442  | TYPO3.Flow                   | Feature | New    | Should have | Destroy session / logout user on deleting an account   | Andreas Förthner | Security       |                |           |

| #     | Project               | Tracker | Status   | Priority        | Subject  | Assignee             | Category                       | Target version          | Has patch |
