|-------|--------------------------------|------------|----------------|-------------|--|-------------------|--|----------------|-----------|
| 9729  | Caretaker                      | Feature    | Needs Feedback | Could have  | Feature: Hook for adding data before displaying [attached]                     | Martin Ficzel     | Frontend                               |                |           |
| 9486  | Fluid - ViewHelper - Incubator | Suggestion | New            | Could have  | breadcrumb   |                   |  |                |           |
| 86962 | TYPO3 Core                     | Feature    | Closed         | Could have  | Asset pipeline: Only include assets for rendered content elements              |                   | Frontend                               |                |           |
| 87823 | TYPO3 Core                     | Feature    | Closed         | Could have  | Introduce "class" to StaticRouteResolver configuration                         |                   | Link Handling, Site Handling & Routing |                |           |
| 33487 | TYPO3.Fluid                    | Feature    | Closed         | Could have  | Configure from what package to use Templates/Partial/Layouts                   | Bastian Waidelich | Core                                   |                | No        |
| 31947 | Caretaker                      | Feature    | New            | Should have | caretaker_instance - file path check, check size                               |                   | Tests/Operations                       |                |           |
| 9719  | Caretaker                      | Bug        | Resolved       | Should have | Log message not correct escaped  | Thomas Hempel     | Backend                                | Alpha 2        |           |
| 9696  | Caretaker                      | Feature    | Needs Feedback | Should have | pi_overview: Make a select/group field instead of textarea for instance groups |                   | Backend                                | Alpha 3        |           |
| 27306 | Commenting system (comments)   | Feature    | Closed         | Should have | Flexform fields should be excludable   | Ingo Renner       |  |                | Yes       |
| 27307 | Commenting system (comments)   | Feature    | Closed         | Should have | TCA fields should be excludable  | Ingo Renner       |  |                | Yes       |
| 3003  | Comments: report bad comment   | Bug        | New            | Should have | XSS possible with comments_report 1.0.0  |                   |  |                |           |
| 7508  | Fluid - ViewHelper - Incubator | Suggestion | Needs Feedback | Should have | form.noFunctionButton  |                   |  |                |           |
| 53402 | Planet TYPO3                   | Task       | New            | Should have | Ask design team for new wireframes   |                   |  |                |           |
| 53401 | Planet TYPO3                   | Task       | Needs Feedback | Should have | Have GIT repositories created  |                   |  |                |           |
| 63524 | TYPO3 Core                     | Task       | Closed         | Should have | Use panels for "Template" configuration  |                   | Backend User Interface                 |                |           |
| 22767 | TYPO3 Core                     | Bug        | Closed         | Should have | "Create new element" got a lot of space between possible element               |                   |  |                |           |
| 24275 | TYPO3 Core                     | Bug        | Closed         | Should have | "Marked as container for" not shown as select box                              | Ernesto Baschny   |  |                |           |
| 79128 | TYPO3 Core                     | Bug        | Closed         | Should have | "Record history" is shown, even if hidden with TSConfig                        |                   | Backend User Interface                 |                |           |
| 22684 | TYPO3 Core                     | Bug        | Closed         | Should have | "User Settings" doesn't have CSS style   | Steffen Gebert    |  |                |           |
| 22396 | TYPO3 Core                     | Bug        | Closed         | Should have | Add "tiff" to imagefile_ext array  | Dmitry Dulepov    |  |                |           |
| 49922 | TYPO3 Core                     | Feature    | Closed         | Should have | Allow "additionalWhereClause" for selection of items to pagetree               |                   | Pagetree                               |                |           |

| #     | Project    | Tracker | Status   | Priority    | Subject  | Assignee          | Category                     | Target version              | Has patch |
|-------|------------|---------|----------|-------------|--|-------------------|------------------------------|-----------------------------|-----------|
| 20368 | TYPO3 Core | Bug     | Closed   | Should have | Automatically append "www" to domain records                                     | Oliver Hader      |                              |                             |           |
| 25276 | TYPO3 Core | Bug     | Closed   | Should have | Backend toolbar (additionalBackendItems) doesn't use a common CSS class          | Andreas Wolf      |                              | 4.6.0                       |           |
| 28756 | TYPO3 Core | Bug     | Closed   | Should have | Cardlayout: Click in pagetree doesn't reload content                             | Soren Malling     | Backend User Interface       |                             |           |
| 12177 | TYPO3 Core | Bug     | Closed   | Should have | Closing dialog forces reload   |                   |                              |                             |           |
| 83468 | TYPO3 Core | Bug     | Accepted | Should have | Custom icon for "Folder" is not shown  |                   | Pagetree                     |                             |           |
| 23582 | TYPO3 Core | Bug     | Closed   | Should have | Docheader (save, save+view, save+close etc) missing                              | Steffen Kamper    |                              | 4.5.1                       |           |
| 49279 | TYPO3 Core | Bug     | Closed   | Should have | Exclude doktypes from pagetree by user TSconfig                                  |                   | Pagetree                     |                             |           |
| 22766 | TYPO3 Core | Bug     | Closed   | Should have | Export/Import to/from .t3d lacks new sprite icons                                | Steffen Ritter    |                              |                             |           |
| 26103 | TYPO3 Core | Feature | Closed   | Should have | EXT:felogin templateFile should be configurable through a constant               |                   | felogin                      |                             |           |
| 30920 | TYPO3 Core | Task    | Closed   | Should have | EXT:recycler: defaultTable should be configurable                                |                   |                              |                             |           |
| 21698 | TYPO3 Core | Bug     | Closed   | Should have | Extension category title not properly rendered in backend                        |                   |                              |                             |           |
| 52946 | TYPO3 Core | Bug     | Closed   | Should have | ExtensionUtility::configurePlugin doesn't set typoscript                         |                   | Backend API                  |                             |           |
| 35322 | TYPO3 Core | Bug     | Closed   | Should have | Firefox 11: Multiple RTE on one page fails to "enable" field until change of tab |                   | RTE (rtehtmlarea + ckeditor) |                             |           |
| 50360 | TYPO3 Core | Feature | Accepted | Should have | Having only one record type in "New record" should forward to TCEform            |                   | Backend User Interface       | Candidate for Major Version |           |
| 24273 | TYPO3 Core | Bug     | Closed   | Should have | help_aboutmoules hardcoded as start up module - returns error if uninstalled     | Steffen Kamper    |                              |                             |           |
| 23850 | TYPO3 Core | Bug     | Closed   | Should have | HSC header is not bold, in be_group "Page types"                                 |                   |                              |                             |           |
| 22654 | TYPO3 Core | Bug     | Closed   | Should have | htmlArea RTE: RTE is greyed out and has no "styles" in page module QuickEdit     | Stanislas Rolland |                              |                             |           |
| 22763 | TYPO3 Core | Bug     | Closed   | Should have | Icons missing in page tree for "Page contains" pages                             | Steffen Ritter    |                              |                             |           |
| 45699 | TYPO3 Core | Bug     | Closed   | Should have | Implement pre- and post-hook around SELECT queries                               |                   | Database API (Doctrine DBAL) | 6.1.0                       |           |
| 37838 | TYPO3 Core | Feature | Closed   | Should have | Import translation on a per-extension-base                                       |                   | Language Manager (backend)   |                             |           |
| 29774 | TYPO3 Core | Task    | Closed   | Should have | Improve information in show_item.php   |                   |                              |                             |           |
| 30296 | TYPO3 Core | Task    | Closed   | Should have | Linkvalidator should have a hook for report markers                              | Philipp Gampe     | Linkvalidator                | 4.7.0                       |           |
| 34056 | TYPO3 Core | Feature | Closed   | Should have | Log to sys_log when changes are made to scheduler tasks                          |                   | scheduler                    |                             |           |
| 46328 | TYPO3 Core | Feature | Closed   | Should have | Make table field selector easier to select from                                  |                   | Backend User Interface       |                             |           |
| 27345 | TYPO3 Core | Feature | Closed   | Should have | Move "Appearance" tab before "Access" tab  |                   | Backend User Interface       |                             |           |

| #     | Project    | Tracker | Status   | Priority    | Subject   | Assignee        | Category                               | Target version  | Has patch |
|-------|------------|---------|----------|-------------|---|-----------------|--|-----------------|-----------|
| 39603 | TYPO3 Core | Task    | Closed   | Should have | Move default columns to a backend_layout configuration  | Soren Malling   | Backend User Interface                 |                 |           |
| 23849 | TYPO3 Core | Bug     | Closed   | Should have | No "Page types" icon in be_group editing, when using rendermode accessListRenderMode = checkbox | Chris topher    |  |                 |           |
| 28426 | TYPO3 Core | Bug     | Closed   | Should have | Only one panel is visible at a time   |                 | Form Framework                         |                 |           |
| 25042 | TYPO3 Core | Bug     | Closed   | Should have | options.moduleMenuCollapsible does not have any effect on extjs based menus                     |                 |  |                 |           |
| 22764 | TYPO3 Core | Bug     | Closed   | Should have | Padding in the bottom of the TCEform  | Ingo Renner     |  |                 |           |
| 27510 | TYPO3 Core | Bug     | Closed   | Should have | Pagetree not respecting TCAdefaults   |                 | Pagetree                               |                 |           |
| 25056 | TYPO3 Core | Bug     | Closed   | Should have | Pagetree: No indication of pages being copied, when copying a branch                            |                 | Backend User Interface                 |                 |           |
| 23589 | TYPO3 Core | Feature | Rejected | Should have | Popup wizard doesn't close when clicking "save & close"   |                 |  | 7.4 (Backend)   |           |
| 38255 | TYPO3 Core | Feature | Rejected | Should have | Post processors should be extendable  |                 | Form Framework                         |                 |           |
| 52080 | TYPO3 Core | Feature | Rejected | Should have | Pre- and Post-process hook in DatabaseConnection for sql_query                                  |                 |  |                 |           |
| 87581 | TYPO3 Core | Bug     | Closed   | Should have | Reintroduce removed page tree TScnfig settings  | Soren Malling   | Pagetree                               |                 |           |
| 38623 | TYPO3 Core | Task    | Closed   | Should have | Remove radio buttons from "new content elements" overview                                       |                 | Backend User Interface                 |                 |           |
| 79127 | TYPO3 Core | Bug     | Accepted | Should have | Responsive LiveSearch toolbar item is rendered no matter access restriction                     |                 | Backend User Interface                 |                 |           |
| 87884 | TYPO3 Core | Bug     | Closed   | Should have | Root page of page tree suddenly gets slug "/1"  | Benni Mack      | Link Handling, Site Handling & Routing | next-patchlevel |           |
| 28425 | TYPO3 Core | Feature | Closed   | Should have | Senders e-mail address is a required field  |                 | Form Framework                         |                 |           |
| 38621 | TYPO3 Core | Task    | Closed   | Should have | Set default renderMode of newContentElements to 'tabs'  |                 | Backend User Interface                 |                 |           |
| 87841 | TYPO3 Core | Bug     | Closed   | Should have | Sitemap generation doesn't take request language into account                                   | Richard Haeser  | SEO                                    | next-patchlevel |           |
