|-------|------------------------------|---------|----------|-------------|--|--------------------|--|-----------------|-----------|
| 22770 | TYPO3 Core                   | Bug     | Closed   | Should have | [No Title] shown when editing a record on root level                               | Steffen Kamper     |  |                 |           |
| 35070 | TYPO3 Core                   | Bug     | Closed   | Must have   | [Install tool] Image processing doesn't run script of file exists                  |                    | Install Tool                           |                 |           |
| 3003  | Comments: report bad comment | Bug     | New      | Should have | XSS possible with comments_report 1.0.0  |                    |  |                 |           |
| 22768 | TYPO3 Core                   | Bug     | Closed   | Should have | Wrong icons for elements in "Create new element"                                   |                    |  |                 |           |
| 22287 | TYPO3 Core                   | Bug     | Closed   | Should have | Wrong flashmessage when clearing temporary data                                    | Francois Suter     |  |                 |           |
| 22715 | TYPO3 Core                   | Bug     | Closed   | Should have | Writing name of existing database, doesn't use database                            |                    |  |                 |           |
| 87068 | TYPO3 Core                   | Bug     | Closed   | Must have   | Use BackendUtility::getPagesTSconfig in TSFE when getting tsconfig                 |                    | Frontend                               |                 |           |
| 86909 | TYPO3 Core                   | Bug     | Closed   | Should have | tt_content examples in "Page" module does not respect CType added via TSconfig     |                    | Backend User Interface                 |                 |           |
| 37906 | TYPO3 Core                   | Bug     | Closed   | Should have | sys_action toolbar items doesn't go to right submodule                             |                    | Backend User Interface                 | 6.0.0           |           |
| 23599 | TYPO3 Core                   | Bug     | Closed   | Should have | Sysexth Modules are shown in Module Menu, even though extensions are not installed | Ernesto Baschny    |  |                 |           |
| 22908 | TYPO3 Core                   | Bug     | Closed   | Should have | Suggest wizard result is misplaced and with repeated background                    | Chris topher       |  |                 |           |
| 87841 | TYPO3 Core                   | Bug     | Closed   | Should have | Sitemap generation doesn't take request language into account                      | Richard Haeser     | SEO                                    | next-patchlevel |           |
| 87884 | TYPO3 Core                   | Bug     | Closed   | Should have | Root page of page tree suddenly gets slug "/"                                      | Benni Mack         | Link Handling, Site Handling & Routing | next-patchlevel |           |
| 49780 | TYPO3.Flow                   | Bug     | New      | Should have | Roles are not synchronized   |                    | Security                               |                 | No        |
| 79127 | TYPO3 Core                   | Bug     | Accepted | Should have | Responsive LiveSearch toolbar item is rendered no matter access restriction        |                    | Backend User Interface                 |                 |           |
| 7676  | TYPO3.Kickstart              | Bug     | Resolved | Must have   | repository kickstarter create invalid PHP  | Karsten Dambekalns |  |                 |           |
| 59803 | Yet another Google search    | Bug     | Resolved | Should have | Remove inclusion if tslib_pibase in pi2 plugin - for 6.2 compatibility             |                    |  |                 |           |
| 87581 | TYPO3 Core                   | Bug     | Closed   | Should have | Reintroduce removed page tree TSconfig settings                                    | Soren Malling      | Pagetree                               |                 |           |
| 25056 | TYPO3 Core                   | Bug     | Closed   | Should have | Pagetree: No indication of pages being copied, when copying a branch               |                    | Backend User Interface                 |                 |           |
| 27510 | TYPO3 Core                   | Bug     | Closed   | Should have | Pagetree not respecting TCAdefaults  |                    | Pagetree                               |                 |           |
| 22764 | TYPO3 Core                   | Bug     | Closed   | Should have | Padding in the bottom of the TCEform   | Ingo Renner        |  |                 |           |
| 25042 | TYPO3 Core                   | Bug     | Closed   | Should have | options.moduleMenuCollapsable does not have any effect on extjs based menus        |                    |  |                 |           |

| #     | Project                      | Tracker | Status   | Priority    | Subject   | Assignee           | Category                     | Target version | Has patch |
|-------|------------------------------|---------|----------|-------------|---|--------------------|------------------------------|----------------|-----------|
| 28426 | TYPO3 Core                   | Bug     | Closed   | Should have | Only one panel is visible at a time   |                    | Form Framework               |                |           |
| 37815 | TYPO3.Flow                   | Bug     | Closed   | Must have   | Object are not persisted  | Karsten Dambekalns | Persistence                  | 1.1            | No        |
| 9720  | Caretaker                    | Bug     | Resolved | Must have   | Not installed extensions are marked as installed in result                                      | Martin Ficzel      | Tests/Operations             |                |           |
| 23849 | TYPO3 Core                   | Bug     | Closed   | Should have | No "Page types" icon in be_group editing, when using rendermode accessListRenderMode = checkbox | Chris topher       |                              |                |           |
| 7726  | TYPO3.Kickstart              | Bug     | Resolved | Should have | model kickstarter doesn't accept comma seperated model names                                    | Karsten Dambekalns |                              |                |           |
| 52014 | TYPO3.Flow                   | Bug     | New      | Should have | Migration makes fields NOT NULL even though not true  |                    | Persistence                  |                | No        |
| 10669 | TYPO3.Flow                   | Bug     | Closed   | Should have | Login session not "cleared" when creating new admin (security framework related?)               |                    | Security                     |                |           |
| 9719  | Caretaker                    | Bug     | Resolved | Should have | Log message not correct escaped   | Thomas Hempel      | Backend                      | Alpha 2        |           |
| 45699 | TYPO3 Core                   | Bug     | Closed   | Should have | Implement pre- and post-hook around SELECT queries  |                    | Database API (Doctrine DBAL) | 6.1.0          |           |
| 22763 | TYPO3 Core                   | Bug     | Closed   | Should have | Icons missing in page tree for "Page contains" pages  | Steffen Ritter     |                              |                |           |
| 22654 | TYPO3 Core                   | Bug     | Closed   | Should have | htmlArea RTE: RTE is greyed out and has no "styles" in page module QuickEdit                    | Stanislas Rolland  |                              |                |           |
| 23850 | TYPO3 Core                   | Bug     | Closed   | Should have | HSC header is not bold, in be_group "Page types"  |                    |                              |                |           |
| 24273 | TYPO3 Core                   | Bug     | Closed   | Should have | help_aboutmoules hardcoded as start up module - returns error if uninstalled                    | Steffen Kamper     |                              |                |           |
| 35322 | TYPO3 Core                   | Bug     | Closed   | Should have | Firefox 11: Multiple RTE on one page fails to "enable" field until change of tab                |                    | RTE (rtehtmlarea + ckeditor) |                |           |
| 52946 | TYPO3 Core                   | Bug     | Closed   | Should have | ExtensionUtility::configurePlugin doesn't set typoscript  |                    | Backend API                  |                |           |
| 21698 | TYPO3 Core                   | Bug     | Closed   | Should have | Extension category title not properly rendered in backend                                       |                    |                              |                |           |
| 22766 | TYPO3 Core                   | Bug     | Closed   | Should have | Export/Import to/from .t3d lacks new sprite icons   | Steffen Ritter     |                              |                |           |
| 49279 | TYPO3 Core                   | Bug     | Closed   | Should have | Exclude doktypes from pagetree by user TSconfig   |                    | Pagetree                     |                |           |
| 11350 | Calendar using extbase       | Bug     | On Hold  | Must have   | Error creating new events   | Christian Zenker   |                              |                |           |
| 23582 | TYPO3 Core                   | Bug     | Closed   | Should have | Docheader (save, save+view, save+close etc) missing   | Steffen Kamper     |                              | 4.5.1          |           |
| 83468 | TYPO3 Core                   | Bug     | Accepted | Should have | Custom icon for "Folder" is not shown   |                    | Pagetree                     |                |           |
| 12177 | TYPO3 Core                   | Bug     | Closed   | Should have | Closing dialog forces reload  |                    |                              |                |           |
| 30543 | TYPO3 Flow Base Distribution | Bug     | Closed   | Should have | Classes disappearing cause havoc  |                    |                              |                |           |
| 28756 | TYPO3 Core                   | Bug     | Closed   | Should have | Cardlayout: Click in pagetree doesn't reload content  | Soren Malling      | Backend User Interface       |                |           |
| 7727  | TYPO3.Flow                   | Bug     | Resolved | Should have | Better handling of "wrong" parameters in ./flow3  | Robert Lemke       | Core                         | 1.0 beta 1     |           |

| #     | Project                      | Tracker | Status         | Priority    | Subject   | Assignee           | Category                               | Target version              | Has patch |
|-------|------------------------------|---------|----------------|-------------|---|--------------------|--|-----------------------------|-----------|
| 25276 | TYPO3 Core                   | Bug     | Closed         | Should have | Backend toolbar (additionalBackendItems) doesn't use a common CSS class                   | Andreas Wolf       |  | 4.6.0                       |           |
| 20368 | TYPO3 Core                   | Bug     | Closed         | Should have | Automatically append "www" to domain records  | Oliver Hader       |  |                             |           |
| 22396 | TYPO3 Core                   | Bug     | Closed         | Should have | Add "tiff" to imagefile_ext array   | Dmitry Dulepov     |  |                             |           |
| 12266 | TYPO3.Flow                   | Bug     | Rejected       | Should have | AccountRepository QueryResult not reflecting correct result                               | Karsten Dambekalns | Persistence                            | 1.0 beta 1                  |           |
| 22684 | TYPO3 Core                   | Bug     | Closed         | Should have | "User Settings" doesn't have CSS style  | Steffen Gebert     |  |                             |           |
| 79128 | TYPO3 Core                   | Bug     | Closed         | Should have | "Record history" is shown, even if hidden with TSConfig                                   |                    | Backend User Interface                 |                             |           |
