|-------|------------|---------|----------|-------------|--|---------------|--|----------------|-----------|
| 83468 | TYPO3 Core | Bug     | Accepted | Should have | Custom icon for "Folder" is not shown  |               | Pagetree                               |                |           |
| 79127 | TYPO3 Core | Bug     | Accepted | Should have | Responsive LiveSearch toolbar item is rendered no matter access restriction      |               | Backend User Interface                 |                |           |
| 87823 | TYPO3 Core | Feature | Closed   | Could have  | Introduce "class" to StaticRouteResolver configuration                           |               | Link Handling, Site Handling & Routing |                |           |
| 87581 | TYPO3 Core | Bug     | Closed   | Should have | Reintroduce removed page tree TSconfig settings                                  | Soren Malling | Pagetree                               |                |           |
| 87068 | TYPO3 Core | Bug     | Closed   | Must have   | Use BackendUtility::getPagesTSconfig in TSFE when getting tsconfig               |               | Frontend                               |                |           |
| 86962 | TYPO3 Core | Feature | Closed   | Could have  | Asset pipeline: Only include assets for rendered content elements                |               | Frontend                               |                |           |
| 86909 | TYPO3 Core | Bug     | Closed   | Should have | tt_content examples in "Page" module does not respect CType added via TSconfig   |               | Backend User Interface                 |                |           |
| 79128 | TYPO3 Core | Bug     | Closed   | Should have | "Record history" is shown, even if hidden with TSConfig                          |               | Backend User Interface                 |                |           |
| 63524 | TYPO3 Core | Task    | Closed   | Should have | Use panels for "Template" configuration  |               | Backend User Interface                 |                |           |
| 52946 | TYPO3 Core | Bug     | Closed   | Should have | ExtensionUtility::configurePlugin doesn't set typoscript                         |               | Backend API                            |                |           |
| 49922 | TYPO3 Core | Feature | Closed   | Should have | Allow "additionalWhereClause" for selection of items to pagetree                 |               | Pagetree                               |                |           |
| 49279 | TYPO3 Core | Bug     | Closed   | Should have | Exclude doktypes from pagetree by user TSconfig                                  |               | Pagetree                               |                |           |
| 46328 | TYPO3 Core | Feature | Closed   | Should have | Make table field selector easier to select from                                  |               | Backend User Interface                 |                |           |
| 39603 | TYPO3 Core | Task    | Closed   | Should have | Move default columns to a backend_layout configuration                           | Soren Malling | Backend User Interface                 |                |           |
| 38623 | TYPO3 Core | Task    | Closed   | Should have | Remove radio buttons from "new content elements" overview                        |               | Backend User Interface                 |                |           |
| 38621 | TYPO3 Core | Task    | Closed   | Should have | Set default renderMode of newContentElements to 'tabs'                           |               | Backend User Interface                 |                |           |
| 37838 | TYPO3 Core | Feature | Closed   | Should have | Import translation on a per-extension-base                                       |               | Language Manager (backend)             |                |           |
| 35322 | TYPO3 Core | Bug     | Closed   | Should have | Firefox 11: Multiple RTE on one page fails to "enable" field until change of tab |               | RTE (rtehtmlarea + ckeditor)           |                |           |
| 35070 | TYPO3 Core | Bug     | Closed   | Must have   | [Install tool] Image processing doesn't run script if file exists                |               | Install Tool                           |                |           |
| 34056 | TYPO3 Core | Feature | Closed   | Should have | Log to sys_log when changes are made to scheduler tasks                          |               | scheduler                              |                |           |
| 30920 | TYPO3 Core | Task    | Closed   | Should have | EXT:recycler: defaultTable should be configurable                                |               |  |                |           |
| 29774 | TYPO3 Core | Task    | Closed   | Should have | Improve information in show_item.php   |               |  |                |           |
| 28756 | TYPO3 Core | Bug     | Closed   | Should have | Cardlayout: Click in pagetree doesn't reload content                             | Soren Malling | Backend User Interface                 |                |           |

| #     | Project    | Tracker | Status | Priority    | Subject   | Assignee          | Category               | Target version | Has patch |
|-------|------------|---------|--------|-------------|---|-------------------|------------------------|----------------|-----------|
| 28426 | TYPO3 Core | Bug     | Closed | Should have | Only one panel is visible at a time   |                   | Form Framework         |                |           |
| 28425 | TYPO3 Core | Feature | Closed | Should have | Senders e-mail address is a required field  |                   | Form Framework         |                |           |
| 27510 | TYPO3 Core | Bug     | Closed | Should have | Pagetree not respecting TCAdefaults   |                   | Pagetree               |                |           |
| 27345 | TYPO3 Core | Feature | Closed | Should have | Move "Appearance" tab before "Access" tab   |                   | Backend User Interface |                |           |
| 26103 | TYPO3 Core | Feature | Closed | Should have | EXT:felogin templateFile should be configurable through a constant                              |                   | felogin                |                |           |
| 25056 | TYPO3 Core | Bug     | Closed | Should have | Pagetree: No indication of pages being copied, when copying a branch                            |                   | Backend User Interface |                |           |
| 25042 | TYPO3 Core | Bug     | Closed | Should have | options.moduleMenuCollapsable does not have any effect on extjs based menus                     |                   |                        |                |           |
| 24275 | TYPO3 Core | Bug     | Closed | Should have | "Marked as container for" not shown as select box   | Ernesto Baschny   |                        |                |           |
| 24273 | TYPO3 Core | Bug     | Closed | Should have | help_aboutmoules hardcoded as start up module - returns error if uninstalled                    | Steffen Kamper    |                        |                |           |
| 23850 | TYPO3 Core | Bug     | Closed | Should have | HSC header is not bold, in be_group "Page types"  |                   |                        |                |           |
| 23849 | TYPO3 Core | Bug     | Closed | Should have | No "Page types" icon in be_group editing, when using rendermode accessListRenderMode = checkbox | Chris topher      |                        |                |           |
| 23599 | TYPO3 Core | Bug     | Closed | Should have | Sysex Modules are shown in Module Menu, even though extensions are not installed                | Ernesto Baschny   |                        |                |           |
| 22908 | TYPO3 Core | Bug     | Closed | Should have | Suggest wizard result is misplaced and with repeated background                                 | Chris topher      |                        |                |           |
| 22770 | TYPO3 Core | Bug     | Closed | Should have | [No Title] shown when editing a record on root level  | Steffen Kamper    |                        |                |           |
| 22768 | TYPO3 Core | Bug     | Closed | Should have | Wrong icons for elements in "Create new element"  |                   |                        |                |           |
| 22767 | TYPO3 Core | Bug     | Closed | Should have | "Create new element" got a lot of space between possible element                                |                   |                        |                |           |
| 22766 | TYPO3 Core | Bug     | Closed | Should have | Export/Import to/from .t3d lacks new sprite icons   | Steffen Ritter    |                        |                |           |
| 22764 | TYPO3 Core | Bug     | Closed | Should have | Padding in the bottom of the TCEform  | Ingo Renner       |                        |                |           |
| 22763 | TYPO3 Core | Bug     | Closed | Should have | Icons missing in page tree for "Page contains" pages  | Steffen Ritter    |                        |                |           |
