Target version:	1.0.0		

Description

We should have some auto-updating footer copyright year.

Code from typo3.org we can use:

```
lib.footer = COA

lib.footer.10 = TEXT
lib.footer.10.data = date : Y
lib.footer.10.noTrimWrap = |&copy; 2007-| |

lib.footer.20 = TEXT
lib.footer.20.value = TYPO3 Association
lib.footer.20.typolink.parameter = http://association.typo3.org

lib.footer.30 = TEXT
lib.footer.30.value = All rights reserved
lib.footer.30.noTrimWrap = | ||
```
