TYPO3 Core - Bug #13003

singleIndex rows not showing up due to browser security violations

2011-02-12 18:08 - Tolleiv Nietsch

Status: Closed
Priority: Should have
Assignee: Tolleiv Nietsch
Category: Workspaces
Target version: TYPO3 Version:
PHP Version:

Description
opening up the singleIndex list in the preview module won't show any columns and will trigger a JS-security exceptions. That's due to the usage of "top.TYPO3..." within the columns and that won't work if the document.domain setting isn't present (single-source restrictions)
