

mm_forum Import module - Bug #13232

File import source gets overwritten by dummy value

2011-02-21 19:31 - Martin Helmich

Status:	Resolved	Start date:	2011-02-21
Priority:	Must have	Due date:	
Assignee:	Martin Helmich	% Done:	100%
Category:	Import Framework	Estimated time:	0.00 hour
Target version:	1.0.2		
Description			
The file import source value is overwritten by a dummy value (local file system access, in /var/www/phpbb). This renders all import procedures useless.
