Description			
<p>Hi guys,</p> <p>i have developed some small but usefully viewHelpers for Be Development. You can find them here on forge: http://forge.typo3.org/projects/extension-sitemgr/repository/show/trunk/Classes/ViewHelper/Be/Doc</p> <p>As told on the newsgroup typo3v4mvc i will create and issue for every single viewHelper.</p> <p>This ViewHelper allows you to add a css file with the pagerenderer.</p> <p>Thanks for all your work. Regards Kay</p>
