Description

Have to fixe the cache clearing mechanism.

- Put SQL for cache_imagesizes into t3lib/stdcdb/tables.sql instead of typo3/sysext/cms/ext_tables.sql
 - Move cache clearing into install tool
- (issue imported from #M31)

History

#1 - 2004-04-29 15:04 - Robert Lemke

I have fixed this in the current CVS version. Changelog:

- Moved table definition for cache_imagesizes from sysext/cms/ext_tables.sql to stdcdb/tables.sql
- Removed Clear All Cache for cache_imagesizes in t3lib_tceMain::clear_cacheCmd
- Added new section "Clean up database" in the install tool. This is used for clearing the cached image sizes
