Due to the age of this bug I assume it can be closed.
Or can someone still reproduce this bug?

#3 - 2010-03-14 11:17 - Xavier Perseguers

This patch still applies but it should be part of next bugdays to see if it still makes sense (don't have an indexed_search at hand ATM)

Hi,

as this issue is very old. Does the problem still exists within newer versions of TYPO3 CMS (4.5 or 6.1)?
