Description

It would be nice to see this in the next version of css_styled_content:

```
####  
tt_content.menu.20.1.1.NO.ATagTitle.field = title  
tt_content.menu.20.1.1.noBlur = 1  
  
tt_content.menu.20.default.1.NO.ATagTitle.field = title  
tt_content.menu.20.default.1.NO.stdWrap.htmlSpecialChars = 1  
tt_content.menu.20.default.1.noBlur = 1  
  
tt_content.menu.20.2.1.NO.ATagTitle.field = title  
tt_content.menu.20.2.1.noBlur = 1 ####  
  
thx  
  
(issue imported from #M5381)
```
