#### History

##### #1 - 2009-11-16 22:31 - Christian Kuhn

Dupe of [#20899](#) ?

This happens only using the "Create new page" icon in pagetree docheader?

##### #2 - 2009-11-21 12:23 - Alexander Stehlik

I can confirm this for creating a new page in the pagetree docheader.

It works fine when I create the page using the context menu or the main docheader.
