Description

another forgotten flash message at the bottom of the user settings holding the text "Notice! In order to activate most of these changes, please reload the backend (eg. logout and login again)."

(issue imported from #M12709)

History

#1 - 2009-11-23 18:22 - Georg Ringer

v2 adds flash message also for the text "Please click the page title in the page tree to the left to edit page content."

to reproduce: reload the backend and select the page module.

attached image also shows how it looks like after patch

#2 - 2010-01-14 00:43 - Steffen Kamper

Committed to svn

4_3 rev 6762

trunk rev 6763
