Description

Ticket reported from http://forge.typo3.org/issues/25459

Das Ticket ist sehr alt und ich weiß nicht, ob das überhaupt noch relevant ist.

Hy,

ich bekomme immer nur QuellCode wenn sich einer in Forge bewirbt.
Ich nutze Mail.app auf dem Mac. :)
Könnt Ihr mal schauen was da genau das Problem ist?

History

- Priority changed from Should have to Must have

I can confirm this - the mails being sent for "Request for new membership" only contain source code...

#2 - 2011-12-27 19:55 - Steffen Gebert

- Status changed from New to Accepted

Unfortunately that's valid. The "Request for membership" feature is a Redmine plugin.

@bastian @steffen Sent a test request for the "status.typo3.org" team. Did you receive it?

#7 - 2017-05-18 18:44 - Bastian Bringenberg

Got it, yes =).

#8 - 2017-05-18 20:11 - Steffen Gebert

- Status changed from Accepted to Under Review

And was it broken or not?

Sorry for taking so long. I had to search for this mail again and we got informed this week that we need to be on a funeral on Friday which messed my week...

To me this looks ok, so let's close the issue. Thanks for your feedback!

I opened it in OSX Mail so my client should work. Just recognized, that there are two times the same text... Content-Type is text/plain...
