<b>Description</b>			

#### History

---

##### #1 - 2015-03-21 14:15 - Rens Admiraal

- Status changed from New to Rejected

- Priority changed from Should have to Won't have this time

to prevent coupling to the party package too much it's advised to extend the provider and implement your own  
\TYPO3\LDAP\Security\Authentication\Provider\LDAPProvider::createParty and  
\TYPO3\LDAP\Security\Authentication\Provider\LDAPProvider::updateParty
