

TYPO3.Flow - Feature #28231

Allow output to STDERR for CLI Response

2011-07-15 13:32 - Christopher Hlubek

Status:	New	Start date:	2011-07-15
Priority:	Should have	Due date:	
Assignee:		% Done:	0%
Category:	MVC	Estimated time:	0.00 hour
Target version:		Complexity:	
PHP Version:			
Has patch:			
Description			
CLI Responses should have a possibility to output content for STDOUT and STDERR separately.
