

TYPO3.Flow - Bug #30255

ObjectConverter needs to deal with constructor injection properties

2011-09-24 01:43 - Sebastian Kurfuerst

Status:	Resolved	Start date:	2011-09-24
Priority:	Should have	Due date:

Target version:	1.0.0	Complexity:	
PHP Version:			
Has patch:			

Description

When a normal object is converted, the generic ObjectConverter is called (not the PersistentObjectConverter).

When this object relies on constructor arguments and does not provide setters for all options, that will break.

I'll prepare a patch which fixes the issue.
