

TYPO3.Flow - Feature #31909

Add more routing: cli-informations

2011-11-18 11:27 - Martin Ficzel

Status:	Resolved	Start date:	2011-11-18
Priority:	Should have	Due date:	
Assignee:		% Done:	100%
Category:	MVC - Routing	Estimated time:	0.00 hour
Target version:	1.1 beta 1	Complexity:	easy
PHP Version:			
Has patch:	No		

Description

The routing should be explorable from the cli. I suggest to implement the following commands:

1. routing:show show informations for a single route
2. routing:resolve show the generated path for a given controller
3. routing:route show the controller a request would be routed to

Associated revisions

Revision 270dced5 - 2011-11-25 10:52 - Martin Ficzel

[FEATURE] Add routing:show, routing:route and routing:resolve commands

Adds 3 CLI commands:

- routing:show show informations for a single route
- routing:getPath show the generated route-path for a given package, controller and action
- routing:routePath take a route-path and show package, controller and action

The patch alters the routing:list command to show the index number for the routes.
