

TYPO3.Fluid - Task #32035

Improve fluid error messages

2011-11-23 15:01 - Georg Ringer

Status: New	Start date: 2011-11-23
Priority: Should have	Due date:
Assignee:	% Done: 0%
Category: Core	Estimated time: 0.00 hour
Target version:	
Has patch: Yes	
Description The error messages of fluid could be a bit more helpful Instead of 'Argument "fo" was not registered' use 'Argument "fo" was not registered for "f:image"' Instead of 'Required argument "src" was not supplied for "f:image"' so it is far easier to search for the error. I don't know how a filename could be handled as this would be even more helpful
