

forge.typo3.org - Bug #32870

Feature # 36172 (Closed): Forge cleanup and update umbrella issue

Use Reminder Script for Due Date

2011-12-29 12:49 - Steffen Gebert

Status:	Rejected	Start date:	2011-12-29
Priority:	Should have	Due date:	
Assignee:	Bastian Bringenberg	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			

Description

Use the Reminder Script to Keep Track of When Issues Are Due, see "Redmine Tips", page 32.

On my Redmine, I use: 7 days, all projects, all trackers, and only myself. So my command looks like:

```
$ rake redmine:send_reminders days=7 users='1' RAILS_ENV=production
```

So send an email, when issue's Due Date is near.

History

#1 - 2012-01-20 18:18 - Steffen Gebert

This currently fails with

```
srv108:/var/www/vhosts/forge.typo3.org/home/redmine/lib# rake redmine:send_reminders days=7 RAILS_ENV="production" users="486"  
rake aborted!  
uninitialized constant Rake::DSL
```

- Status changed from New to Accepted

- Parent task set to #36172

#3 - 2017-05-24 17:59 - Steffen Gebert

- Status changed from Accepted to New

#4 - 2019-02-12 20:11 - Bastian Bringenberg

- Status changed from New to Rejected

- Assignee set to Bastian Bringenberg

Will not do. This script is not used in the last 8 years so starting to send emails now will result in a lot of users, not using forge anymore, will receive a lot of mails and will raise maintenance and spam.
