- Project changed from 1113 to TYPO3 Core

Moved to the Core tracker.

##### #2 - 2012-01-31 14:23 - Chris topher

- Subject changed from stdWrap for rootline path to IndexedSearch: Add stdWrap for rootline path

- TYPO3 Version set to 4.7

##### #3 - 2014-03-19 12:10 - Alexander Opitz

- Category set to Indexed Search

##### #4 - 2015-07-12 16:55 - Riccardo De Contardi

- Status changed from New to Closed

I close this as [#23156](#) has a solution that adds a configurable path separator, and is already under review; If you think that this is the wrong decision and really need the stdWrap property, then please write to the mailing list [typo3.teams.bugs](mailto:typo3.teams.bugs) with issue number and an explanation or open a new ticket and add a relation to this ticket number.
