- Target version changed from 1.0.4 to 1.1

As the currently proposed change introduces a new method to the `SessionInterface` I would regard this as breaking change and therefor set the Target Version to 1.1. Task [#25923](#) which depends on this task is not (yet) updated to the same target version but probably needs to,

#4 - 2012-03-19 11:19 - Karsten Dambekalns

- Target version changed from 1.1 to 1.0.4

Since [#25923](#) is set to target 1.0, this must go into that as well.
