

forge.typo3.org - Bug #35131

Feature # 36172 (Closed): Forge cleanup and update umbrella issue

fetching changesets uses broken svn url's

2012-03-22 09:07 - Peter Niederlag

Status:	Closed	Start date:	2012-03-22
Priority:	Must have	Due date:	
Assignee:	Peter Niederlag	% Done:	0%
Category:		Estimated time:	4.00 hours
Target version:	2.x cleanup		
Description			
Since server migration or gerrit update(???) it takes significantly more time until commits show up in forge.			
This also affects updating the ticket status.

Yes, the cronjob runs only twice per day, not every 5 (?) minutes as before, because it causes some errors and sends us mails every day (the errors while fetching from SVN, see attached mail).

Seems like Michi doesn't find time to have a look at this...
