

TYPO3.Flow - Bug #35173

PropertyMapping: FloatConverter - map from float to float is not working

2012-03-23 10:18 - Nils Seinschedt

Status: Closed	Start date: 2012-03-23
Priority: Should have	Due date:
Assignee: Nils Seinschedt	% Done: 0%
Category: Property	Estimated time: 0.00 hour
Target version:	Complexity:
PHP Version:	
Has patch: No	
Description PropertyMapping: The FloatConverter does not allow to map from float to float. In contrast to this behaviour the IntegerConverter maps from integer to integer.

Hi Nils,
can you confirm Alexander's comment?
