

## TYPO3.Flow - Feature #37372

### Inheritance in ORM should be configured automatically

2012-05-21 16:33 - Karsten Dambekalns

<b>Status:</b>	Accepted	<b>Start date:</b>	2012-05-21
<b>Priority:</b>	Should have	<b>Due date:</b>	
<b>Assignee:</b>	Karsten Dambekalns	<b>% Done:</b>	0%

<b>Target version:</b>		<b>Complexity:</b>	
<b>PHP Version:</b>			
<b>Has patch:</b>	No		

#### Description

When classes are extended, inheritance should be configured automatically for Doctrine, using sane defaults. This avoids the need to foresee future needs when coding - especially for packages that are of general purpose and where no one can know in the beginning whether they will be extended or not.
