<b>Target version:</b>			
<b>Has patch:</b>	No		
<b>Description</b>			
<p>I'm experiencing this error with TYPO3 4.6, but from looking at the code I'm pretty sure this is reproducible with FLOW3 as well.</p>			
<pre>&lt;f:section name="mySection_{type}"&gt;</pre>			
<p>This leads to a Fatal Error: Call to undefined method Tx_Fluid_Core_Parser_SyntaxTree_RootNode::getText() in [...]/typo3/sysex/typo3/Classes/ViewHelpers/SectionViewHelper.php on line 90</p>			
<p>I was playing around a bit but I did not find a way to fix this.</p>
