

SAV Library Kickstarter - Bug #39403

Add Existing Table in new application

2012-07-31 09:28 - kpk no-lastname-given

Status:	Resolved	Start date:	2012-07-31
Priority:	Should have	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour

Description

If you start an new application from scratch an klick on '+ Existing tables' to add one, the backend show an empty page and nothing happens.

Resolution: I added
"existingTables":null,
before
"views":
in the file kickstarter.json by hand. Then the klick shows an empty form for the table as expected.

(TYPO3 v-4.5.14)
