

T3 jQuery - Bug #39858

button "select all" in be modul does not select all

2012-08-16 13:52 - Simon Schaufelberger

Description			
when i click on the button "select all" in the be modul, not all checkboxes get checked. the ones that will not be checked are: jQuery UI Widgets -> Tabs and when i click that manually, the 2 checkboxes under jQuery TOOLS Tabs get unchecked but why?

Both, jQuery UI and jQuery TOOLS, implemented a Plugin called "Tabs"
So it is not possible to register both "Tabs" in the same Library...

It's not a bug, it's a feature (no joke)
