even better:

```
{f:uri.action(controller:'Authentication', package:'TYPO3.FLOW3')}
```

#2 - 2012-09-11 08:27 - Christian Müller

- Category set to - Documentation -

This part of the documentation needs to be rephrased anyway. Since last week (<https://review.typo3.org/#/c/14377/>) the default AuthenticationController is deprecated and you should implement your own based on the AbstractAuthenticationController.

Thanks for noticing!

#3 - 2012-09-12 09:52 - Karsten Dambekalns

- Tracker changed from Task to Bug

- Target version set to 1.1.1

Christian Mueller wrote:
