Description

Fatal error: Call to undefined function TYPO3\CMS\Lang\Utility\Connection\zip_open() in /.../typo3_src-6.0.0beta2/typo3/sysext/lang/Classes/Utility/Connection/Ter.php on line 192

New Installation from Intro-Pack but TYPO3 source is symlink to Source-Pack

TYPO3 Version: 6.0.0beta2

In backend 'Language' activate 'German'

When I try to click 'Update from repository' I get the error

- Status changed from New to Closed

- Target version set to 6.0.0

- % Done changed from 0 to 100

Hi there,

you need to have the zip PHP extension/module installed. Please check the status report, that should provide you with the same message.
