Revision 6c377b2f - 2013-02-09 23:33 - Georg Ringer

[TASK] Enable "pageNotFoundOnCHashError" by default

The setting pageNotFoundOnCHashError should be true by default for performance reasons: If it is true, a 404 error is thrown when an invalid cHash is found. This is way faster than re-rendering an otherwise cached page (and then not caching it because of the invalid cHash).
