Can you please check your "document modus" if it is set up to standard mode. What doesn't work for you? Which version are you trying?

##### #2 - 2013-04-09 19:06 - Wouter Wolters

There was a fix for IE and clear cache menu. See for the patch <https://review.typo3.org/#/c/18453/> This will be included in 4.5.26.

- Status changed from Needs Feedback to Resolved

As Wouter pointed out there is one IE related fix in the current version branches. Please checkout out the latest one or wait until the next release announcement is out.
