History

#1 - 2013-07-11 08:41 - Steffen Gebert

- Status changed from New to Under Review

This should be included in the next update

#2 - 2013-07-11 08:42 - Steffen Gebert

- Parent task set to #36172

#3 - 2014-03-15 02:54 - Steffen Müller

Any news on this issue?

I would say, if I click "sign out" I would expect the session to be terminated. Imagine you do that on a shared browser (internet cafe) and someone else can abuse your user session.

#4 - 2017-02-03 20:12 - Steffen Gebert

- Status changed from Under Review to Resolved

This cannot be changed for the current SSO. LDAP with login directly on the sub sites will help.
