

forge.typo3.org - Feature #49987

Feature # 36172 (Closed): Forge cleanup and update umbrella issue

New projects should get a Git repository

2013-07-12 19:54 - Steffen Gebert

Status:	Closed	Start date:	2013-07-12
Priority:	Won't have this time	Due date:	
Assignee:	Bastian Bringenberg	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
When a new forge project is created, a Git repo should be created automatically instead of an SVN repo			

History

#1 - 2013-07-12 19:56 - Steffen Gebert

- Assignee set to Bastian Bringenberg

Most of this should be implemented here: https://github.com/TYPO3/rm_flow_start/blob/master/app/controllers/start_controller.rb#L121

#2 - 2014-02-17 16:51 - Guy Couronné

Is there some evolution about it ?

I have a git for my new project and I would like to use it, not an SVN copy.

#3 - 2014-02-17 17:00 - Bastian Bringenberg

Hey ho,

as written here: <http://forge.typo3.org/issues/36048>

A lot of progress, but no final release. We are working on it, but there are still some hotter topics => Sorry, that it takes so long! I hope that our next sprint will be a big step towards this goal.

If you need a switch SVN -> Git right now send me a mail via admin@typo3.org or open a ticket under git section =>).

Have a nice day,

Bastian
