Category:	PHP	Estimated time:	0.50 hour
Target version:	4.6.0	Spent time:	0.50 hour
Description			
The file			
<ul style="list-style-type: none">• /pi1/class.tx_browser_pi1_map.php			
has two line breaks at the end. This leads to an whitespace (linebreak) in source code output and RSS / XML processing is stopped.			
Thanks for fixing!
