Description

If you have large TYPO3 sites running with multiple administrators and editors, it happens that temp files are cleared by command but requested in frontend. Before a temp file is included it should test if the temp file (still) exists or has to be rewritten.

History

#1 - 2013-10-28 11:53 - Gerrit Code Review

- Status changed from New to Under Review

Patch set 1 for branch **TYPO3_4-7** has been pushed to the review server.

It is available at <https://review.typo3.org/25027>

#2 - 2015-01-06 20:36 - Wouter Wolters

- Status changed from Under Review to Closed

couldn't be merged anymore
