Description Decided on Skype meeting #1 we will be working with a "Content is king" approach, moving all other functionality to a different page. Notes from the meeting: <ul style="list-style-type: none">• Talk to Robert from Design Team about a wireframe focused on "content is king" (reference: www.medium.com, www.webplatformdaily.org, Lists: https://medium.com/design-ux, https://medium.com/@GBKS, https://medium.com/design-ux/latest)• Add "Submit your site" on a different page, not on the frontpage• In general, functionality not having to do with content goes on a different page
