Description			
The Backend Users "Compare" view lack some sort of "action buttons".			
UX team noted that here:			
https://projects.invisionapp.com/share/H2IU7YVE#/screens/481308/10259907/comments/6169317			
An improvement would be to have "Edit User" pen icons on the header row besides the usernames to be able to edit them directly from here if desired.
