TYPO3.SwiftMailer - Bug #55364

SwiftMailer does not work with PHP 5.5

2014-01-27 16:23 - Sebastian Düvel

Target version:				

Description

Because of an ancient included SwiftMailer version, the whole package does not work with PHP 5.5.

Probably fixed when http://forge.typo3.org/issues/41410 is applied.
