

Base Distribution - Task #55840

Binding of Title in Pagetree and Inspector

2014-02-10 13:51 - Carsten Bleicker

Status:	New	Start date:	2014-02-10
Priority:	Should have	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Reproduce like this:			
<ol style="list-style-type: none">1. Select page in tree2. Edit title in inspector and apply changes. The title in pagetree changes too.3. Edit title again and apply changes: The title doesnt get chaged in pagetree.			
Binding pagetree::title and inspector::title seems to be broken after first change.
