<b>Target version:</b>			
<b>Description</b>			
This Issue has been created, so that the extension secure_files can become compatible to 6.2.			
If you continue to work on: <a href="https://github.com/TYPO3-svn-archive/secure_files">https://github.com/TYPO3-svn-archive/secure_files</a>			
It would be greate to put it in TER and on a news in forge.typo3.org, so people know there is a patched version and don't fixe it twice ;-)			

### History

#### #1 - 2014-08-13 14:50 - Jonas Felix

- Description updated
- Status changed from New to Accepted
- Assignee set to Nils Blattner

Thank you Matteo! We are working on it and will publish it our current 6.2 compat version as soon as the CI is happy :-)
