

Editorial Team - Suggestion #61041

"Auto update" releases on typo3.org

2014-08-18 20:50 - Daniel Siepmann

Status:	Closed	Start date:	2014-08-18
Priority:	Should have	Due date:	
Assignee:	Daniel Siepmann	% Done:	0%
Category:	07 - Ideas	Estimated time:	0.00 hour
Target version:	Hangout 2014-09		

Description

There is a "webservice" <http://get.typo3.org/json> listing all releases.

We can parse this to display the releases at <http://typo3.org/typo3-cms/roadmap/>

I think we need a small plugin to display the results, so we can include them using a small flexform to configure the version to show.

History

#1 - 2014-08-18 20:51 - Daniel Siepmann

- *Tracker changed from Bug to Suggestion*

#2 - 2014-08-18 20:51 - Daniel Siepmann

- *Status changed from New to Accepted*

#3 - 2014-10-04 15:19 - Daniel Siepmann

Perhaps we can render the following information via the extensions:

- <http://typo3.org/typo3-cms/roadmap/>
- <http://typo3.org/download/> (Packages)

#4 - 2014-11-17 16:56 - Daniel Siepmann

The issue was migrated to JIRA: <https://jira.typo3.org/browse/ET-7>

#5 - 2014-11-17 16:57 - Daniel Siepmann

- *Status changed from Accepted to Closed*
