Description			
If you separate the list of programs in ['SYS']['binSetup'] by new line, the binaries aren't found due to parsing issues.			

Associated revisions

Revision f04fac9f - 2015-03-09 21:34 - Nicole Cordes

[BUGFIX] Respect newlines in ['SYS']['binSetup']

If you separate the list of programs by new line (as suggested in the Install Tool description), the programs aren't found. The problem is that the newline is saved as string component by the Install Tool. Therefore the new line separator (LF) has to be replaced before splitting the value.

Releases: master, 6.2
Resolves: #65624
