

## TYPO3 Core - Feature #71102

Story # 69712 (New): Further FormEngine development

### Allow definition of CSH within TCA

2015-10-28 16:40 - Andreas Fernandez

<b>Status:</b>	Closed	<b>Start date:</b>	2015-10-28

<b>PHP Version:</b>		<b>Sprint Focus:</b>	
<b>Tags:</b>			
<b>Description</b>			
It should be possible to add CSH texts within the TCA which is very helpful when building TCA from scratch and render it by the FormEngine.			
Proposal:			
<pre>'columns' =&gt; [   'foobar' =&gt; [     'label' =&gt; 'I\'m foobar',     'csh' =&gt; [       'description' =&gt; 'Enter some test content',       'details' =&gt; 'You can enter any content you like in this field'     ]   ] ]</pre>

### History

#### #1 - 2015-10-29 17:28 - Malte Koitka

That's a nice idea. Perhaps it's possible to somehow combine it with the needs of issue [#71081](#).

If it makes sense an option called 'type' could differentiate between the current CSH 'tooltip' and a direct 'inline' output after the field.

#### #2 - 2017-02-23 14:20 - Riccardo De Contardi

- Target version changed from 8 LTS to 9.0

#### #3 - 2018-01-28 14:28 - Susanne Moog

- Target version deleted (9.0)

#### #4 - 2018-09-02 11:13 - Christian Kuhn

- Related to Feature #85410: Allow TCA description property added

#### #5 - 2018-09-02 11:14 - Christian Kuhn

- Status changed from New to Closed

csh will be kept as is for now, but an additional description is now possible with [#85410](#)
