

TYPO3 Core - Bug #72962

Epic # 72584 (Closed): sysext:impexp

Avoid garbage upon failed import

2016-01-27 12:47 - Bernhard Kraft

Description			
<p>When importing a large page structure any exception which could possibly get thrown will result in an abort of the import. All records which got inserted into the database until then could end up on a wrong page, link to wrong elements, etc. as relations between records are only updated after all records got inserted. The same is true for an import which got aborted because of a PHP script timeout.</p> <p>This bugfix resolves the problem by introduction DB transactions via the DatabaseConnection class. In the case of a failed import all statements are rolled back and newly created files will get removed.</p>			

History

#1 - 2016-01-27 12:50 - Gerrit Code Review

- Status changed from New to Under Review

Patch set 1 for branch **TYPO3_7-6** of project **Packages/TYPO3.CMS** has been pushed to the review server.
It is available at <https://review.typo3.org/46262>

#2 - 2016-07-05 11:54 - Benni Mack

- Target version changed from 7.6.3 to Candidate for patchlevel

#3 - 2017-06-15 00:17 - Markus Klein

- Status changed from Under Review to New

- Target version deleted (Candidate for patchlevel)

#4 - 2018-01-17 15:40 - Riccardo De Contardi

- Parent task set to #72584
